Moving to Your New School

1. Please tell us whether your primary school did any of the things listed to help you prepare for secondary school? **AND**
2. Tell us how much you think every item on the list helped/would have helped you to prepare

Did your primary school…	**Did your primary school do this?**			**How helpful?** (please answer for every item)				
	No	Yes, a little	Yes, a lot	Not at all	Very Little	Some-what	Quite a bit	Very much
1. Use websites to teach you about secondary school?	0	1	2	0	1	2	3	4
2. Put you into groups so that you could work with other children who were going to your secondary school?	0	1	2	0	1	2	3	4
3. Start a project with your class which you finished working on when you got to secondary school?	0	1	2	0	1	2	3	4
4. Give you a booklet which you could fill out with information about yourself that you could take to secondary school?	0	1	2	0	1	2	3	4
5. Give you leaflets and other written information about your secondary school?	0	1	2	0	1	2	3	4
6. Organise visits for your whole class to go to your secondary school?	0	1	2	0	1	2	3	4
7. Organise visits for just you to go to your secondary school?	0	1	2	0	1	2	3	4
8. Change your timetable in year 6 so that it was more like your timetable at secondary school?	0	1	2	0	1	2	3	4
9. Give you extra responsibilities in year 6 (e.g. becoming a monitor)?	0	1	2	0	1	2	3	4
10. Give assemblies about moving to secondary school?	0	1	2	0	1	2	3	4
11. Talk to you and the class about any worries that you had about secondary school?	0	1	2	0	1	2	3	4

Did your primary school do anything else to help you? If yes, please write what they did in the boxes below and say how much you think it helped you prepare for the move to secondary school.					
	How helpful was this in preparing you for the move to secondary school? (circle answer)				
.....	Not at all	Very Little	Some-what	Quite a bit	Very much
.....	Not at all	Very Little	Some-what	Quite a bit	Very much

The Primary School Intervention Questionnaire has been developed as part of The School Transition and Adjustment Research Study (STARS; wwww.ucl.ac.uk/stars). STARS is a project that began at University College London, led by Dr Frances Rice. The STARS team includes Prof Norah Frederickson, Dr Katherine Shelton (Cardiff University), Prof Chris McManus, Lucy Riglin, Terry Ng-Knight and Sinead Neal. The study has been funded by the Nuffield Foundation.
