UCL

MATHEMATICAL AND PHYSICAL SCIENCES

GRADUATE OPEN DAY PROGRAMME

23 JANUARY 2013

- Chemistry
- CoMPLEX (Centre for Mathematics and Physics in the Life Sciences and Experimental Biology)
- Earth Sciences
- London Centre for Nanotechnology (LCN)
- Mathematics
- Institute of Origins
- Physics and Astronomy
- Science and Technology Studies
- Space and Climate Physics
- Statistical Science
- Thomas Young Centre

PLENARY PROGRAMME AND TOURS

Event	Event Times	Venue
Registration When you arrive, hand in your e-ticket to collect a welcome pack. Please register by 13:20; the plenary talks will start promptly at 13:30 in the Gustave Tuck Lecture Theatre	From 12:45	South Cloisters
Plenary Talks Talks will start promptly at 13:30 – please be in your seat	13:30	Gustave Tuck Lecture Theatre, Wilkins Building
Welcome to UCL Welcome from Professor Richard Catlow, FRS, Dean of the Faculty of Mathematical and Physical Sciences	13:30–13:40	
Graduate life at UCL Talk from Dr Dave Spratt on behalf of the UCL Graduate School	13:40–13:50	
Funding your studies and how to apply A general introduction to the funding available for graduate students, with tips on how to apply	13:50–14:00	
What the students think 2 current students (1 MSc student and 1 PhD student) talk about their experiences of living and studying in London at UCL. With Q&A	14:00–14:30	
What next? Support from UCL Careers Service Dr Calum Leckie from UCL Careers Service talks about the advice and services on offer	14:30–14:40	
Departmental Exhibition Stands Please visit departmental stands to discuss your interests with staff and current graduate students. Subject areas/institutes and centres are listed opposite	From 14:30	South Cloisters
Tours of UCL campus UCL Student Ambassadors will take you on a short tour of the campus (approximately half an hour)	15:00, 15:30, 16:00	Meeting point, South Cloisters

DEPARTMENTAL STANDS, TALKS AND TOURS

Subject/research area and events	Event Times	Venue
Chemistry		
Please visit stand to discuss your interests with staff and current students	14:30–16:30	South Cloisters
Talk: Postgraduate study in Chemistry at UCL	15:30–16:00	Garwood Lecture Theatre, South Wing
Tour of the Chemistry / EngD facilities	16:00–16:30	Meet outside Garwood Lecture Theatre, South Wing
Molecular Modelling and Materials Simulation EngD		
Please visit stand to discuss your interests with staff and current students	14:30–16:30	South Cloisters
Tour of the Chemistry / EngD facilities	16:00–16:30	Meet outside Garwood Lecture Theatre, South Wing
CoMPLEX (Centre for Mathematics and Physics in the Life Sciences and Experimental Biology)		
Please visit stand to discuss your interests with staff and current students	14:30–16:30	South Cloisters
Talk: Studying for an MRes/PhD in CoMPLEX	15:00–15:30	Garwood Lecture Theatre, South Wing
Tour of CoMPLEX facilities	15:30–16:00	Meet outside Garwood Lecture Theatre, South Wing
Earth Sciences		
Please visit stand to discuss your interests with staff and current students	14:30–16:30	South Cloisters
Talk: Studying for an MSc or PhD in Earth Sciences at UCL	15:30–16:00	G22 Lecture Theatre, Pearson Building
Tour of Earth Sciences, including the Centre for Planetary Science	16:00–16:30	Meet outside G22 Lecture Theatre, Pearson Building
London Centre for Nanotechnology (LCN)		
Please visit stand to discuss your interests with staff and current students	14:30–16:30	South Cloisters
Talk: Doctoral study at the LCN	15:00–15:30	Gustave Tuck Lecture Theatre, Wilkins Building
Mathematics		
Please visit stand to discuss your interests with staff and current students	14:30–16:30	South Cloisters

(programme continues overleaf)

Subject/research area and events	Event Times	Venue
Institute of Origins Talk: Interdisciplinary PhD research in the Institute of Origins	15:00–15:30	G22 Lecture Theatre, Pearson Building
Physics and Astronomy Please visit stand to discuss your interests with staff and current students	14:30–16:30	South Cloisters
Science and Technology Studies Please visit stand to discuss your interests with staff and current students Talk: Studying for a PhD or MSc in History and Philosophy of Science, Science Policy and Science Communication	14:30–16:30 15:00–15:30	South Cloisters Meet at departmental stand in the South Cloisters
Space and Climate Physics Please visit stand to discuss your interests with staff and current students Talk: Launching a career in space science	14:30–16:30 15:30–16:00	South Cloisters Gustave Tuck Lecture Theatre, Wilkins Building
Statistical Science Please visit stand to discuss your interests with staff and current students	14:30–16:30	South Cloisters
Thomas Young Centre An interdisciplinary community of research groups across London universities dedicated to using computer simulations to tackle materials problems that are important to society and industry. Please visit stand to discuss opportunities and research interests with staff and current PhD students	14:30–16:30	South Cloisters
General information General information about postgraduate study at UCL	14:30–16:30	South Cloisters
