

Angie Wade BSc MSc PhD CStat ILTM

Senior Lecturer in Biostatistics

Angie Wade gained a degree in Mathematics from London University before specialising in statistics and completing an MSc in Applied Statistics at UCL. She then spent 3 years researching Care of the Dying funded by Help the Hospices and based at UCL. On completion of that project, she joined ICH/GOS in 1990 as a lecturer. In 1997 she completed her PhD on likelihood methods for the construction of age-related standards and was promoted to senior lecturer in 1999. In 2002 she was accepted as a member of the Institute of Learning and Teaching.
