7th UK Swallowing Research Group Conference

Thursday 1st & Friday 2nd February 2018
UCL Great Ormond Street Institute of Child Health, London

Members of The UKSRG cover a wide range of professional disciplines from biomedical engineering to NICU feeding to end of life care. We recognize the multidisciplinary nature of the clinical and basic science supporting developments in the field. This conference will be of interest to all professionals working with swallowing and feeding management in adults and paediatrics, and will be delivered by leaders in the field of dysphagia.

Themes of the conference:
- Gastroesophageal disorders and the GI tract
- Degeneration
- Psychosocial
- Respiratory and Oral Health/Aspiration
- Head/Neck/upper airway
- Emerging Treatments
- Interactive workshops
- Latest swallowing research through free papers and posters

Keynote speaker:
Professor Debra Suiter, Director of the University of Kentucky Voice & Swallow Clinic, USA

Other platform presenters:
- Dr Antonio Schindler, Medical Director and Logophoniatrician, University of Milan
- Prof Tim McCulloch, Division of Otolaryngology-Head & Neck Surgery, University of Wisconsin
