Paediatric Palliative Care:  
An Education Programme in Specialist Symptom Management and Interdisciplinary Care

Louis Dundas Centre for Children’s Palliative Care

Monday 22nd – Friday 26th January 2018

Presentations and workshops will be conducted over the week by specialist clinicians and academics from the Louis Dundas Centre for Children’s Palliative Care. The Louis Dundas Centre is an integrated programme of research, education and clinical practice.

Who Should Attend?
Specialists in the field of PPC, general paediatricians with an interest in PPC, hospice doctors and nurses, specialist PPC community teams, PPC CNS, developing practitioners in PPC medicine or nursing as well as researchers interested in developing projects in paediatric palliative care which contribute to clinical practice and policy.

Please note: Attendees can enrol for 1, 2, 3, 4, 5 days

Topics include
Day 1: Pain Management in children and young people (CYP) with life limiting condition (LLC) or life threatening illness (LTI)
Day 2-3: Symptom Management (Neurology, Gastroenterology, Renal, Respiratory, Intensive care and Cardiology)
Day 4: Communication and decision making about care and treatment
Day 5: End of life and post death care

Course directors:
- Professor Myra Bluebond-Langner, Professor and True Colours Chair in Palliative Care, UCL Great Ormond Street Institute of Child Health and Great Ormond Street Hospital for Children, London
- Julie Bayliss, Head of Service & Nurse Consultant in Paediatric Palliative Care, Great Ormond Street Hospital for Children, London
