Open Access for the REF:
Add a publication to your RPS profile
v 1.0

The open access policy for the next REF applies to articles and conference papers accepted after 1 April 2016. All researchers must upload their papers to UCL’s Research Publications Service (RPS), or they will not be eligible for the next REF. Contact the Open Access Team (open-access@ucl.ac.uk) if you have any questions.

Before you can upload a manuscript to RPS, you must make sure you have either claimed or created a record of the publication’s details in your RPS profile. These instructions will show you how to:

Check if the publication is listed in your RPS profile ................................................................. 1
Search for the publication in RPS.................................................................................................... 3
Manually add your publication in RPS.......................................................................................... 4

Once a publication been added to your list in RPS, you can upload the manuscript (our uploading guide is available here).

Check if the publication is listed in your RPS profile

1. **Log in to RPS** at http://rps.ucl.ac.uk/
2. View your list of publications by clicking on the ‘Publications’ link on the left of the screen in ‘Home’ tab:
3. Check if your publication is listed by using the filter options on the left:

If you find the publication, you are ready to upload your manuscript. If not, continue with the steps below.
Search for the publication in RPS

4. Return to the ‘Home’ tab. Click on the + symbol next to the relevant publication type (e.g. journal articles):

5. Search for your publication:
6. If your publication is found, click 'Claim':
