

The entrance to the Department of Psychology is up the steps by the traffic lights at the junction of Bedford Way and Gordon Square/Tavistock Square.

Go into the lobby, through the gates (you may have to ask the Beadle* to let you in; if they need to check, then my internal phone is 25390). Then take the lift to the fourth floor, turn right along the main corridor, and my office is room 4.37, on the right.

Any problems phone me on 020-7679 5390, my secretary on 020-7679 5333, or the general office on 020-7436 4276.
