

## Wind Power & Solar Panels

Providing Auxiliary-Power to lighting systems and tech.

## Eco-Skelter Key Features

### Faux-Dome

Miniature version of the UCL Dome incorporating solar panels and wind turbine.

### Infinity Lights

Tiny green LED accent lighting on skelter ribs to provide illuminations at night.

### Slide!

Being green can be fun. A slide for students, staff and visitors to use!

### Faux-Portico

Miniature version of the UCL Portico

### Ad

Plenty of UCL Advertising space for green initiatives. UCL sliding mats and 'soft landing' matt.
