

Antonio Cabrales
Department of Economics
University College London
30 Gordon St.
WC1H 0AX London UK

Education

- Ph. D. in Economics, 1993, University of California, San Diego.
- Licenciado (B.A.) in Economics, 1987, Universidad Complutense de Madrid.

Academic Employment

- September 2013 – present. Professor, Dept. of Economics, University College London.
- September 2006 – August 2013. Professor, Dept. of Economics, Universidad Carlos III de Madrid.
- February 2005-August 2006: Professor, Dept. of Economics and Business, Universitat Pompeu Fabra, Barcelona.
- September 1998-February 2005: Associate Professor, Dept. of Economics and Business, Universitat Pompeu Fabra, Barcelona.
- September 1993-August 1998: Assistant Professor, Dept. of Economics and Business, Universitat Pompeu Fabra, Barcelona.

Teaching Experience

- *Graduate*: Game Theory and Contracts; Advanced Game Theory (economics of networks, evolutionary games); Game theory and general equilibrium; Competition Policy.
- *Undergraduate*: Principles of Economics; Intermediate Microeconomics; Negotiation; Economics of information; Industrial Economics; Game Theory.

Current and future research interests

The current research agenda has several main strands. One deals with information transmission and communication, in the presence of behavioral biases or pro-social preferences. Another one deals with network formation when there is risk induced by shocks. Finally, I am interested in the emergence of trust and conditions under which it will and it will not develop.

Research Grants (only as principal investigator)

- Strategic interactions: Implications for the financial sector, education, commercial intermediation and politics. Ministry of Economy and Competitiveness ECO2012-34581, (January 2013- Jan. 2015). 75,000 euros.
- Structure of relationships and strategic interaction. Ministry of Science and Innovation ECO2009-10531 (December 2009-Dec. 2012). 78,771 euros.
- Markets, organizations and institution: new approaches. Ministry of Education SEJ2006-11665-C02-01 (December 2006-Dec. 2009). 24,000 euros.
- Group for Microeconomic Analysis. Generalitat de Catalunya SGR2005-00940 (December 2005- Dec. 2007). 39,000 euros.
- Corporations and externalities: effects on organizations and behavior. Fundación BBVA (March 2005- March 2007). 67,000 euros.
- From the local commons to the global commons: lessons from the Valencia irrigation farms. Fundación Ramón Areces (February 2004-February 2006). 30,000 euros.
- Contracts and incentives in business: the influence of the environment. Fundación BBVA (March 2003- March 2005). 80,000 euros.
- Information structure, interaction and rationality in games. Ministry of Education BEC2000-1029 (December 2000-Dec. 2003). 36,661 euros.

Editorial work

- Co-editor, B.E. Journal of Economic Analysis and Policy (2010-2012).
- Co-editor, Investigaciones Económicas (2004-2008).
- Associate editor, Journal of Economic Theory (2014-).
- Associate editor, Journal of the European Economic Association (2008-2013).
- Associate editor, SERIEs, Journal of the Spanish Economic Association (2010-2016)

Administration

- Head of Department of Economics, University College London, 2017- .
- PhD Director, University College London, 2014-2017.
- Executive vice-president European Economic Association, 2016- .
- Chairman, Department of Economics, Universidad Carlos III de Madrid, 2012-2013.
- President, *Spanish Economic Association*. 2009.
- Recruiting coordinator, 2007-2011; at Universidad Carlos III de Madrid.
- Coordinator of teaching Principles of economics (over 90 teaching sections), 2007-2011, at Universidad Carlos III de Madrid.
- Director of the Msc Program, 2001-2003; and Coordinator for the MSc in Economics, 1997-2000; of the graduate program in Economics and Management (GPEM) at Universitat Pompeu Fabra.
- Coordinator for the activities of Teaching Assistants at the Department of Economics at Universitat Pompeu Fabra of Universitat Pompeu Fabra, 1997-2000.
- Organizer of the Microeconomics and Finance Workshop at the Department of Economics at Universitat Pompeu Fabra, 1993-94 and 1994-95, and the Department seminar, 1996-97 and 1997-1998.

Honors

- Prize of Excellence in research from the social council of Universidad Carlos III de Madrid. May 2009.
- Research distinction from the Catalan regional government for the promotion of university research, young researcher category. July 2002.
- Academic Excellence Award. Department of Economics, University of California, San Diego. June 1990, June 1991, June 1992.
- Teaching Excellence Award. Department of Economics, University of California, San Diego. June 1993.
