1 Period of Registration

1.1 Length of Registration

1. Taught students must be registered with UCL for the full length of their programme of study, including term times and the intervening vacation periods.
 - a) Each individual Programme Summary defines the specific duration of the programme for each Mode of Attendance, and the possible start dates.
 - b) UCL's threshold standards for the duration of each UCL qualification are defined in Chapter 2, Qualifications and Credit Framework.
 - c) Term dates are determined by UCL each year and published by UCL Student and Registry Services.
2. Students may be required to extend their period of registration if they are undertaking Resits, Repeats or Deferrals, or if they wish to take an Interruption of Study:
 - a) All assessments must be completed within two years of the student's initial registration on a module – see Chapter 4: Section 11: Consequences of Failure for full details.
3. Where a student needs to complete a Resit or Deferral after their period of registration has ended, the student may be registered as a 'Resitting' student for a further three months, providing access to the Library, e-learning environments and appropriate facilities, but not tuition.
 - a) **Subject to approval by the Faculty Tutor**, the period of three months may be extended for students with later deadlines.
 - b) Students must ensure that they continue to meet the requirements of any visa under which they are studying. Further advice is available from UCL's Visa and Immigration Office.

1.2 Enrolment and Re-Enrolment

1. Students must enrol or re-enrol at the beginning of each Academic or Calendar Year of their programme.

Enrolment Deadlines

2. Enrolment and re-enrolment should be completed by the following deadlines:
 - **September Starters:** October (Term 1, Week 3)
 - **January Starters:** January (Term 2, Week 2)
 - **Online Programmes:** Week 2 of the quarter in which the student first enters the programme.
3. Exact dates are determined by UCL and published annually by UCL Student and Registry Services.
4. A returning student may be permitted to re-enrol up to two weeks after the stated deadlines if there are good reasons. Students must contact studentrecords@ucl.ac.uk via askUCL before missing the deadlines.

Enrolment Location

5. Students on Online Programmes must complete all pre-enrolment, enrolment and re-enrolment activities as directed by Student and Registry Services.
6. All other students are required to enrol and re-enrol by the following methods:
 - a) New students must enrol in person at the Student Centre.
 - b) Returning students should re-enrol online via Portico, although they may be required to re-enrol in person in some circumstances (e.g. Tier 4 students returning from an interruption of study). Students are responsible for contacting UCL Information Services Division to ensure that their username and password are correct.

1.3 Modes of Attendance

1. Each individual Programme Summary must define the approved Modes of Attendance for a specific programme. Not all Modes of Attendance are available on all programmes.
2. UCL's standard Modes of Attendance are:
 - **Undergraduate Programmes:** Full-time, Part-time
 - **Graduate Certificate:** 12 weeks full-time, 1 academic year part-time, 2 calendar years of flexible study
 - **Graduate Diploma:** 1 academic year full-time, 2 academic years part-time, 5 calendar years of flexible study
 - **Postgraduate Certificate:** 12 weeks full-time, 1 academic year part-time, 2 calendar years of flexible study
 - **Postgraduate Diploma:** 1 academic year full-time, 2 academic years part-time, 5 calendar years of flexible study
 - **Taught Masters:** 1 calendar year full-time, 2 calendar years part-time, 5 calendar years of flexible study
 - **Research Masters:** 1 calendar year full-time, 2 calendar years part-time, 5 calendar years of flexible study
3. **Subject to approval by UCL Education Committee or its nominee**, a programme may operate on a different attendance pattern to those described above.
4. Modes of Attendance, Academic and Calendar Years are defined in Chapter 2: Qualifications and Credit Framework.
5. If a student wishes to change their Mode of Attendance, they must follow the procedures in Section 7: Change of Mode of Attendance.

1.4 Student Type

1. Taught students should be registered at UCL as one of the following:
 - **Full Student:** A student who is registered on a UCL programme of study leading to the award of a higher education qualification.
 - **Affiliate Student:** A student who is registered at another higher education institution who studies at UCL for one, two or three terms. Affiliate Students do not qualify for a UCL qualification.
 - **Intercollegiate Student:** A student who is registered at another higher education institution who is also registered on one or more individual UCL modules. Intercollegiate Students do not qualify for a UCL qualification.
2. Additional categories for short courses are defined in Chapter 10: Short Course Framework.
3. Additional categories for Postgraduate Research programmes are defined in Chapter 5: Research Degrees Framework.

1.5 Registration Status

1. A student may be registered at UCL under the following statuses:
 - **Fully Enrolled:** A student who is fully enrolled on a programme of study leading to the award of a higher education qualification at UCL.
 - **Resitting:** A student who is enrolled only on Resits and/ or Deferrals without Tuition. The student is not receiving tuition and does not have to be in attendance, but should have access to UCL libraries, e-learning environments and other learning facilities.
 - **Repeating:** A student who is enrolled only on Repeats and/ or Deferrals with Tuition. The student is receiving tuition, is in attendance for the affected modules and has full access to UCL facilities.
 - **Provisionally Progressed:** An undergraduate student who has been allowed to proceed to the next year of study because it is not yet possible to make a formal decision about their Progression status. Such students generally fall into one of the following categories:

- A student who is not yet able to formally progress because marks have not been received from an external provider.
- A student who has outstanding Deferrals (or, exceptionally, reassessments) in a maximum of 30 credits, and who has been permitted to take these in tandem with the next year of study.

A Provisionally Progressed student is permitted to re-enrol, attend teaching events and to access UCL facilities. However the student cannot formally Progress to the subsequent year of study until the outstanding credits are passed or formally condoned by the Board of Examiners.

- **Interrupted:** A student who has temporarily interrupted their programme of study and whose enrolment at UCL has been temporarily suspended.
- **Suspended:** A student whose enrolment at UCL has been temporarily suspended, for example on grounds of academic insufficiency, disciplinary matters, academic misconduct, non-attendance or visa non-compliance.
- **Terminated:** A student whose enrolment at UCL has been permanently terminated, for example on grounds of academic insufficiency, disciplinary matters or academic misconduct, and whose student record is now closed.
- **Withdrawn:** A student who has formally withdrawn from their registration at UCL and whose student record is now closed.
- **Awarded Degree:** A student who has been awarded a UCL degree and whose student record is now closed.

1.6 Dual Registration

1. The following categories of student may be formally registered at UCL at the same time as being registered with another institution:
 - a) An Affiliate Student
 - b) An Intercollegiate Student
 - c) A UCL student undertaking an intercollegiate module at another Higher Education institution
 - d) A UCL student undertaking a period of Study Abroad
 - e) A UCL student enrolled on a joint, double or dual degree programme delivered in partnership with another institution.
2. All other students must not be registered on a programme at UCL at the same time as being registered on, or re-sitting examinations for, another programme at UCL or any other Higher Education institution.
3. A student may accept an offer of a place at UCL at the same time as being registered on, or re-sitting examinations for, another programme at UCL or any other Higher Education institution.

2 Module Selection

2.1 Module Selection and Approval Process

1. As soon as enrolment or re-enrolment has been completed students should select the modules which they wish to take in that Academic or Calendar Year, by the published deadlines.
2. All steps are completed through Portico, UCL's Student Record System.
3. The Programme Diet defines the modules which a student must undertake to satisfy the requirements of a particular programme, including the credit value and academic level of each module, as well as rules for compulsory, optional and elective modules, and for pre-requisites and co-requisites:
 - **Compulsory:** Modules which students must take to successfully complete a particular Programme or Route.
 - **Option:** Specific, limited collections of Modules from which students may choose within their Programme of Study.
 - **Elective:** Broad collections of Modules which may be thematically grouped, from which students may choose, and which may be from outside their main Programme of Study.
 - **Prerequisite:** A specified preparatory Module which must have been successfully completed for a student to enrol on a subsequent Module.
 - **Co-requisite:** A specified Module which must be taken at the same time as another Module.
4. All Optional and Elective module selections are provisional until they have been confirmed by both the Parent and Teaching Departments/Divisions:
 - a) The Parent Department/Division is responsible for the programme on which a student is registered.
 - b) The Teaching Department/Division is responsible for the delivery of a module to students and is responsible for the assessment of students enrolled on the module.
 - c) In many cases the Teaching and Parent Department/Division are the same, and only one approval is needed.
5. If approval is not given, students should seek academic advice from their Personal Tutor or other staff in the Parent Department/Division.
6. Students must satisfy the assessment requirements for each module on which they are registered. If a student is unable to meet these requirements due to illness or other Extenuating Circumstances, they should follow the procedures in Chapter 4, Section 6: Extenuating Circumstances. Students who absent themselves from any module assessment without approval must be recorded as absent and deemed to have made an attempt. Any further attempt, of the original module or another module, must be treated as a second attempt.

2.2 Number of Modules to be Selected

1. Students must register on the following numbers of credits in each Academic or Calendar Year unless they are registered as a Flexible student, or they are undertaking Resits, Repeats or Deferrals (see below). The Programme Diet may include more detailed requirements:

Undergraduate Programmes

- Full-time: 120 credits per year
- Part-time: 60 credits per year

Graduate Certificate

- Full-time: 60 credits per year
- Part-time: 30 credits per year

- Part-time: 60 - 150 credits per year

Extended Research Masters (>180 credits)

- Full-time: Up to 180 credits per year
- Part-time: 60 - 150 credits per year

2. Where a student undertakes a module during the long summer vacation, the credits of that module must be assigned to either the previous or next year as appropriate, but the total number of credits in each year should not exceed the parameters defined above.

Flexible Programmes

3. On Flexible programmes, students may choose the number of credits which they wish to study in each year. Individual programmes may specify a minimum or maximum for each year, or may stipulate the order in which modules should be taken, in the Programme Diet.

Reassessment and Deferrals

4. Students undertaking a Deferral with Tuition should select only the modules being deferred. Students may select the original module or a substitute module, as long as the requirements of their Programme Diet are met.
5. Students who are Repeating a failed module should select only the modules being repeated. Students may select the original module or a substitute module, as long as the requirements of their Programme Diet are met.
6. Subject to the regulations in Chapter 4: Assessment Framework for Taught Programmes, a student may be permitted to undertake a Deferral with or without Tuition or, exceptionally, a Resit or Repeat, in up to 30 credits in tandem with the next year's modules. For Resits students must select the same module. For Repeats and Deferrals with Tuition students may select the original module or a substitute module, as long as the requirements of their Programme Diet are met.

Overlapping Content

7. Students must not register on a module where the academic assessment is deemed to overlap with any module which they have already taken and passed.
8. Students must not re-register on a module if they have exhausted all permitted attempts.

2.3 Modules from Outside UCL

1. Students should only select modules offered by UCL unless otherwise specified in the Programme Summary.
2. Exceptionally, the Faculty Tutor may permit a student to register on a module at another Higher Education institution which is not specified in the Programme Summary:

- a) Applications should be made in writing to the Faculty Office.
 - b) Decisions will be made on a case-by-case basis.
 - c) Approval is usually restricted to another institution within the University of London. However, in some cases, agreements between UCL and other institutions are in place.
 - d) The module must have an appropriate credit-weighting, be at an appropriate Academic Level, and enable the student to successfully complete their programme of study at UCL.
 - e) Evidence must be provided from the institution offering the module that they are willing to accept the student.
 - f) Requests must be supported by the student's Parent Department/ Division.
 - g) Registration on external modules must not be considered as grounds for Extenuating Circumstances or appeal at a later date.
3. Where a student is permitted to select modules from outside UCL, the other Higher Education provider is responsible for the management of the student experience for that module. This includes:
 - a) Running the assessment and any reassessments for that module
 - b) Working with the relevant UCL Extenuating Circumstances Panel to consider requests for mitigation (some forms of mitigation will need to be applied by the host, some by UCL)
 - c) Reasonable Adjustments and Examination Adjustments for the modules concerned, in consultation with the student's UCL Department/ Division and with the Disability, Mental Health and Wellbeing team in Student Support and Wellbeing (SSW).
 - d) Institutional disciplinary and complaints procedures relating to the module
 - e) Notifying UCL of students' academic achievement for the module
 - f) Quality assurance of the teaching and learning experience on that module.
 4. The student will fall under UCL's regulations in all other respects, including those for Progression and Award, Classification and the Consequences of Failure (see Chapter 4: Assessment Framework for Taught Programmes).
 5. Students must note that other institutions may operate different marking systems and regulations. Term dates at other institutions may be different and examinations may not necessarily take place during the normal UCL examination periods.
 6. If a student experiences a timetabling clash due to an external module, they must contact their Parent Department/ Division for advice as soon as possible.

2.4 Deadlines for Initial Module Selection

1. Initial module selections must be made by the following deadlines; if a student wishes to change a module selection, they should do so by the deadlines in 2.5 Change of Module Selection.

September Starters

- Student selects modules for the year ahead: October (Term 1, Week 3)
- Departments approve selections for the year ahead: October (Term 1, Week 5)

January Starters

- Student selects modules for the year ahead: January (Term 2, Week 2)
- Departments approve selections for the year ahead: January (Term 2, Week 3)

Online Programmes

- Students must make their initial module selections as part of the initial pre-enrolment task. For all subsequent Teaching Periods (term, quarter), students must make their module selections before the relevant Teaching Period commences.
2. Exact deadlines will be published each year in the Student and Registry Services calendar and in the 'Module Selection Task' on Portico.
 - a) On Online Programmes, exact deadlines will be set, managed and communicated by the Department.
 3. If a student wishes to change a module selection, they must do so by the deadlines in 2.5 Change of Module Selection.
 4. For September-starters, Student and Registry Services will ask students to formally confirm their module selections in Portico by the end of Term 1, Week 11. The Examination Timetable

will be based upon the module selection information that is recorded on Portico at the end of Term 1, Week 12.

5. For January-starters, the Examination Timetable will be based upon the module selection information that is recorded in Portico at the end of Term 2, Week 3.

2.5 Change of Module Selection

1. If a student wishes to change a module selection, requests must be submitted and approved by the following deadlines:

Deadlines for Changes to Term 1 modules

September Starters:

Student requests: October (Term 1, Week 3)

Departmental approval: October (Term 1, Week 5)

January Starters:

Student requests: Not applicable

Departmental approval: Not applicable

Deadlines for Changes to Term 2 & 3 modules

September Starters:

Student requests: December (Term 1, Week 11)

Departmental approval: December (Term 1, Week 12)

January Starters:

Student requests: January (Term 2, Week 2)

Departmental approval: January (Term 2, Week 3)

Deadlines for Changes to Online Programmes

Student requests: The Friday of Week 1 of each Teaching Period

Departmental approval: The Friday of Week 2 of each Teaching Period

2. Exact deadlines will be published each year in the Student and Registry Services calendar and in the 'Module Selection Task' on Portico.
 - a) On Online Programmes, exact deadlines will be set, managed and communicated by the Department.
3. Changes must be approved by the Parent Department/ Division and, where applicable, the Teaching Department/ Division.
4. Changes cannot be guaranteed. There must be places available on the module and the changes must be consistent with the student's Programme Diet.
5. Unless requested otherwise, the change of module selection will be backdated to the start of the academic session.
6. Students must continue to meet the requirements of the original module until the change is formally approved. Students who absent themselves from the assessment of the original module before they have formally transferred to the replacement module will be recorded as absent and deemed to have made an attempt. Any further attempt, of the original module or replacement module, must be treated as a second attempt.

2.6 Late Module Changes

1. Exceptionally, a student may be permitted to change a module selection after the above deadlines have passed. Changes cannot be guaranteed, particularly if the student will miss a substantial amount of teaching
2. Late module changes must satisfy the following criteria:

- a) There must be places available on the module
 - b) The changes must be consistent with the student's Programme Diet
 - c) The student must be able to satisfy UCL's attendance requirements
 - d) The student must continue to meet the requirements of any visa under which they are studying.
3. All requests must be submitted to the Parent Department/ Division in the first instance. The Parent Department/ Division will consider the request and, where applicable, liaise with the Teaching Department/Division to assess whether the late module change is possible.
 4. If the Parent and Teaching Departments/ Divisions support the request, the application should be submitted to the Faculty Tutor for consideration.
 5. The Faculty Tutor will inform the student of the decision and, if approved, notify examboards@ucl.ac.uk of the change in module registration.
 6. If a late change affects central examinations, it may not be possible to include the student in the Examination Timetable and the Department/ Division may be required to run the examination in the Department.

3 Attendance and Absence

3.1 Attendance Requirements

1. UCL's minimum attendance requirement is 70% of teaching and learning events. Departments may stipulate a higher percentage and additional requirements where appropriate.
2. Students whose attendance falls below the attendance requirements may become ineligible for summative assessment.
3. Undergraduate students must meet UCL's minimum attendance requirements during term-time (designated teaching and examination weeks). Outside of term-time, there is no requirement for students to be present on campus or to apply for authorised absence.
4. Taught Postgraduate students must meet UCL's minimum attendance requirements during term-time (designated teaching and examination weeks). During the summer vacation, students are expected to be studying for their dissertation and to be based at UCL or, if not, to apply for Study Away from UCL. Departments may stipulate additional requirements where appropriate.

Further guidance

1. Section 3.2 Authorised Absence describes the procedures in place for students who are unable to attend lectures, seminars, tutorials and other teaching and learning events due to short-term illness or other extenuating circumstances.
2. Section 3.3 Study Away from UCL sets out how to apply for Study Away from UCL.
3. Chapter 4, Section 6: Extenuating Circumstances describes the procedures in place for students who are unable to attend an examination or submit a piece of work for summative assessment due to illness or other extenuating circumstances.
4. Section 5: Interruption of Study describes the procedures in place for students who are unable to attend for an extended period of time.
5. Chapter 6, Section 4: Learning Agreements, Barring, Suspensions and Terminations of Study describes the procedures in place for students who fail to meet the minimum attendance requirements or who are absent without authorisation.

3.2 Authorised Absence for Students on a Tier 4 Visa

1. Where a student is studying at UCL under a Tier 4 visa and they are **absent from teaching** (i.e. lectures, seminars, tutorials and other teaching and learning events) due to short-term illness or other circumstances the student must obtain authorisation from UCL. (Where a student's **attendance or performance at assessment** is affected by such an absence, and they meet the relevant criteria, the student must **also** submit a separate claim for Extenuating Circumstances following the procedures in Chapter 4, Section 6: Extenuating Circumstances).
2. Where a student is absent from UCL they must inform their Departmental Tutor/Programme Leader as soon as possible and within 48 hours of the absence.
3. The student must also complete an Authorised Absence Request Form and submit it with appropriate supporting evidence to their department:
 - a) Where a student is absent from teaching on medical grounds for up to 7 consecutive days, the student may self-certify their absence. (Students must however note that they must obtain a medical note from a registered medical practitioner if the absence affects their attendance or performance at assessment under the procedures set out in Chapter 4, Section 6: Extenuating Circumstances).
 - b) Where a student is absent from teaching on medical grounds for more than 7 consecutive days, the student must submit a medical note from a registered medical practitioner.
 - c) Where a student is absent from teaching due to non-medical circumstances, the student must provide information on the circumstances, together with appropriate supporting evidence. Chapter 4, Section 6: Extenuating Circumstances provides further guidance on acceptable forms of evidence.

Absence Due to Expired or Refused Visas

4. If a student is absent from teaching due to an expired or refused visa, this does not fall under the definition of Extenuating Circumstances, but may nevertheless necessitate the student's

absence. The student must complete an Authorised Absence Request Form and submit it with relevant supporting evidence to visacompliance@ucl.ac.uk.

- a) If the student is able to successfully reapply for a visa and return to the UK within 14 days, AND the Department is able to make arrangements for the student to keep up with their studies in the interim, the student may be permitted to continue their registration at UCL. Any such arrangements must be agreed with the Department in writing. The student will not be able to use the visa difficulties as grounds for Extenuating Circumstances at a later date.
 - b) If the student is not able to successfully reapply for a visa and return to the UK within 14 days, OR the Department is unable to make arrangements for the student to keep up with their studies in the interim (e.g. where physical presence is essential, such as group work), the student must interrupt their studies following the procedures in Section 5: Interruption of Study.
5. When considering an application for authorised absence UCL will take into consideration the student's ability to keep up with their studies and complete assessments, including sitting examinations.
 6. Absences of up to 7 consecutive days should be considered by the Departmental Tutor/Programme Leader. For UKVI purposes, the Department must record the authorised absence in a retrievable and auditable manner.
 7. Absences of up to 14 consecutive days must be considered by the Faculty Tutor/Faculty Graduate Tutor.
 8. Absences will not normally be authorised for a period of more than 14 consecutive days. In such cases, students should consider an Interruption of Study (see Section 5). In exceptional circumstances, applications for authorised absence of more than 14 consecutive days may be considered by UCL Academic Services on behalf of the Vice-Provost (Education & Student Affairs). However under Tier 4 (General) visa permission an absence cannot exceed 60 days and the student must still complete the programme within their existing period of leave on their visa.

3.3 Study Away from UCL

1. A student may be permitted to study away from UCL on academic grounds as part of the standard delivery of their programme or module e.g. when undertaking a placement or fieldwork, or a year of study abroad as part of the degree programme. Where such a period of study is part of an approved programme or module, students do not need to gain further permission to study away from UCL.
2. Students may also be permitted to study away from UCL on academic grounds which are not part of the standard delivery of a programme or module e.g. collecting data or conducting research. Such a period of study away from UCL must not be taken until it is authorised by the Departmental Tutor/Programme Organiser. Students must inform their Departmental Tutor/Programme Organiser before they intend to study away from UCL, and provide the location of study and the reason for doing so. The period of this form of study away from UCL must not exceed three months.
3. Under UK immigration requirements, UCL is required to record where students are studying if not at UCL. Students with Tier 4 visas must, therefore, also inform UCL's Immigration Compliance Office of any period of study away from UCL.
4. Students are expected to be in regular contact with their academic department during any period of study away from UCL.

4 Affiliate Student Registration

4.1 Definition of an Affiliate Student

1. An Affiliate Student is a student who is registered at another higher education institution who studies at UCL for one, two or three terms. Affiliate Students do not qualify for a UCL qualification.
2. Affiliate Students usually study on a full-time basis although they may register on a part-time basis if this mode of study is available on the UCL programme.
3. Affiliate Students must be assigned a named UCL Parent Department/ Division.
4. Affiliate students are subject to the regulations set out in the UCL Academic Manual and all other terms and conditions of enrolment whilst they are registered with UCL.
5. Registered Affiliate Students have the same rights and entitlements as all UCL taught students.
6. The entry requirements for Undergraduate and Taught Postgraduate Affiliate Students, including English Language Proficiency Requirements, can be found in Chapter 1: Student Recruitment and Admissions Framework. Further information on Affiliate Student applications is available from UCL Access and Admissions.
7. Further information is available from the Affiliate Study at UCL web pages.

4.2 Affiliate Student Module Selection

1. Affiliate Students who have accepted an offer of a place at UCL should agree their module choices with their UCL Parent Department/Division before proceeding with the Module Selection process (see Section 2: Module Selection).
2. Affiliate Students must also check whether their module selections require approval by their Home Institution.
3. Full-time Affiliate Students should select modules totalling the following numbers of credits; Part-time Affiliate Students should select modules pro-rata for their intensity of study:

Number of Credits to be Selected

Undergraduate Affiliates

- **Term 1 only at UCL:** Select 30 to 60 credits
- **Term 2 only at UCL:** Select 30 to 60 credits
- **Term 1 and 2 at UCL:** Select 60 to 120 credits
- **Term 2 and 3 at UCL:** Select 60 to 120 credits
- **Terms 1, 2 and 3 at UCL:** Select 60 to 120 credits

Taught Postgraduate Affiliates

- **Term 1 only at UCL:** Select 15 to 60 credits
- **Terms 2 and 3 at UCL:** Select 15 to 60 credits
- **Terms 1, 2 and 3 at UCL:** Select 15 to 120 credits

4. In addition, the student's Home Institution and/ or the UCL Parent Department/ Division may specify some or all of the following requirements:
 - a) That the student selects a minimum or maximum number of credits within the above parameters
 - b) That the credits are undertaken within defined fields of study
 - c) That a proportion of the credits are taken within the UCL Parent Department/ Division
 - d) That the credits are undertaken at defined academic levels.

4.3 Assessment and Reassessment

1. Resits, Repeats and Deferrals for Affiliate Students should be conducted as closely as possible to the UCL norms. Affiliate Students must also seek advice from their Home institutions as to whether failed modules must be reassessed and, if so, how reassessment marks will be recognised by their Home institution.

4.4 Certification and Transcripts

1. Affiliate Students will be awarded credit by UCL for the successful completion of assessed modules.
2. Affiliate Students are entitled to receive a transcript of their achievement at UCL in both UCL credits and European Credit Transfer Scheme (ECTS) credits. Certification is managed by UCL Student Records.

5 Interruption of Study

5.1 Interrupting

1. Interruption of Study is for Full-time or Part-time students who require a temporary break from their studies and plan to resume their studies at a future date.
 - a) Students enrolled on a Flexible Mode of Attendance have a period of five years in which to complete their studies, enabling students to fit their modules around their work, family and other commitments. As a result, Flexible students are not able to apply for an Interruption of Study. The Extenuating Circumstances procedures are available if a student needs an extension or to defer an assessment (see Chapter 4, Section 6: Extenuating Circumstances).
2. Students should seek advice from their Personal Tutor and/ or from UCL Student Support and Wellbeing before making an application. Students who are considering an interruption because of a disability, illness or other Extenuating Circumstance should also consider the options available to them in Chapter 4, Section 5: Reasonable Adjustments and Chapter 4, Section 6: Extenuating Circumstances.
3. Students holding a Tier 4 visa must leave the UK for the duration of any interruption and re-apply for a new visa in order to return to UCL. Such students must comply with visa requirements to safeguard their immigration status and future entry to the UK. UCL is legally required to notify the immigration authorities of any changes to a student's status.

5.2 Making an Application

4. Students must have paid the appropriate tuition fees to UCL Fees and Funding, or provided evidence of sponsorship, before they can re-register.
