

UCL Academic Manual 2020-21

Chapter 11: Teaching and Learning

Education Strategy 2016-21

Information

UCL 2034 commits us to becoming a world leader in the integration of education and research, and the 2016-21 Education Strategy will determine where we focus our attention over the next five years as we work towards that goal.

You can read the strategy and find out more on the [Learning and Teaching Portal](#).
