Recognise the university’s key philanthropic milestones in the campaign including reaching the £525m milestone in funds raised since 2016, accumulating over 180,000 volunteer hours and the unveiling of UCL’s Donor Wall to celebrate donors.

This summer, we’ve marked some key milestones in the campaign including reaching the £525m milestone in funds raised since 2016, accumulating over 180,000 volunteer hours and the unveiling of UCL’s Donor Wall to celebrate donors.

UCL welcomes over 15,000 new students to London as they start their journey with UCL and we’re excited to see lots of familiar faces and new faces, including Steven Knight - screenwriter and director, Caroline Ellis - equality and inclusion lead at the London Metropolitan University, and Professor Benjamin J. Whalley - former Chair of the Department of Chemistry at the University of Cambridge.

In the summer, we celebrated the achievements of the latest group of graduates and welcomed 11 new UCL Honorary Degrees and Honorary Fellows into the community. The UCL Chemistry Lab Dinner is an annual lecture honouring former alumni and invited guests, and this year’s event will be held at the UCL Chemistry Department. The event will feature a talk by Dr. Powner followed by a speech from Chemistry alumna Ebony-Jewel and a问答环节.

UCL Alumni Pat Humphrey (1968) and Alan Hunter (1969) are pleased to invite the two classes to reunite at the School of Pharmacy for a special event to celebrate fifty years. The event will feature a speech from Prof. Sir Robin Shattock, President and Principal of the University of Surrey, and a Q&A session with alumni.

We are delighted to invite alumni of the department to the annual lecture in celebration of fifty years. The lecture will be held at the UCL Chemistry Department and will feature a talk by Dr. Powner followed by a speech from Chemistry alumna Ebony-Jewel and a问答环节.

Please join us for the grand opening of our new Mechanical Engineering student hub in London’s King’s Cross. For this special occasion, we promise you an entertaining, interactive, hands-on celebration of our teaching and research, as we launch this major new teaching facility.

The UCL Alumni Frank Fish Lecture 2019 is a special event celebrating the achievements of former UCL students and alumni. The event will feature a talk by Professor Benjamin J. Whalley - former Chair of the Department of Chemistry at the University of Cambridge.

The UCL Frank Fish Lecture 2019 will take place at the UCL Main Building and will feature a talk by Dr. Powner followed by a speech from Chemistry alumna Ebony-Jewel and a问答环节.

The UCL Frank Fish Lecture 2019 will take place at the UCL Main Building and will feature a talk by Dr. Powner followed by a speech from Chemistry alumna Ebony-Jewel and a问答环节.

UCL launches global vision to position UCL as a force for good in the world. We are committed to promoting our achievements at a global level and are working to ensure that UCL remains a leader in our field.
