Students are entitled to have their quarterly PEDR sheets signed by The Bartlett’s Stage 2 Professional Studies Advisor.

Year Out programme We offer a part-time short course for Part 1 graduates undertaking Stage 1 practical training experience. It provides a framework for students to record and analyse the first period of work experience that is signed off by the Bartlett Professional Studies Advisor and will therefore count towards 24 months’ experience required for professional qualification. Assessment: completion of one assignment and attendance at a preliminary meeting and introductory lecture.
