

A portfolio of design work is required of all Masters applicants.

Applicants should prepare the portfolio carefully to best illustrate their individual potential as a designer. The Portfolio needs to be curated to clearly show your ambition and curiosity of your practice.

*Academic Group work is accepted but it needs to be clearly indicated.*

*Group work needs to be marked to indicate what your role was in the project.*

*Missing indication might result in rejection.*

Your digital portfolio must not exceed 20 pages, including your coversheet and table of contents.

**Applicants should upload their portfolio following the guidance above at the point of application wherever possible. To do so, please follow the instructions below:**

Please upload a word document which includes your name and a link to your online portfolio to the 'additional document' option in the supporting material section of the online application system.

**If you have not submitted your portfolio at the point of application, we will send you a portfolio submission request. We cannot open the upload function on request from applicants, so please wait for us to contact you.**

**Please note that your application will not be considered by the tutor until this supporting material has been received.**
