MAHUE:

Personal Statement / Portfolio Advice

As part of your application, please provide the following supporting material:

Personal Statement

- why you want to study Architecture and Historic Urban Environments at graduate level
- why you want to study Architecture and Historic Urban Environments at UCL
- how your academic and professional background meets the demands of this challenging programme
- what potential topic or issue you would like to research and/or design in the Final Project of Architecture and Historic Urban Environments, and how you might like to evolve and communicate this
- what particularly attracts you to the chosen field or profession
- where you would like to go professionally with your degree

Portfolio

The portfolio should include academic work and practice experience, curated to show your personal practice, and how they might relate to the Architecture and Historic Urban Environment programme.

Academic work and practice experience can include both design and research-based work.

Your digital portfolio must not exceed 20 pages, including your coversheet and table of contents.

Academic Group work is accepted but it needs to be clearly indicated.
Group work needs to be marked to indicate what your role was in the project.
Missing indication may result in rejection.

Applicants should upload their portfolio following the guidance above at the point of application wherever possible. To do so, please follow the instructions below:

> Please upload a word document which includes your name and a link to your online portfolio to the 'additional document' option in the supporting material section of the online application system.

If you have not submitted your portfolio at the point of application, we will send you a portfolio submission request. We cannot open the upload function on request from applicants, so please wait for us to contact you.

Please note that your application will not be considered by the tutor until this supporting material has been received.
