MSc/Postgraduate Diploma Project and Enterprise Management

Application Process

**Full-Time closing date: 1 May 2018**

A ‘Gathered Field’ selection system is in operation. This means all applications will be gathered together and considered as they become complete on 4 dates during the year, these dates being:

30 November 2017
31 January 2018
31 March 2018
31 May 2018

_**In order to be considered online applications must be submitted (and the Application Fee received) including all supporting documents and both the references supplied.**_

Once an application becomes completed it will then be considered at the next possible date for decisions on applications. Applicants will also be informed at this point as to when they should expect a decision on their application, based upon which of the agreed dates the application will considered at. We will aim to issue application decisions around six weeks after each of the (above) agreed dates.

Any remaining full-time applications that are not complete in time for the 31 May 2018 date, will automatically be rejected.

**Modular-Flexible Study closing date: 31 August 2018**

Modular-Flexible applications will be decided alongside full-time applications until 31 May 2018. However, after the 31 May 2017, those Modular-Flexible applications submitted will be considered on a rolling basis, as they become complete and decisions issued as soon as is possible.

**Note:** Applicants can only submit one application, irrespective of whether it is for full-time or modular-flexible for this programme for the 2018/19 academic year.

**Note:** Applicants who require a Tier 4 visa in order to study in the UK cannot apply for Modular-Flexible study.
