

From Citizens to Cities: Participatory Approaches to Building Disability-Inclusive Cities

Sharing the findings of AT2030 initiatives in Surakarta and Banjarmasin

Thursday, May 12 | 9:00am London / 3:00pm Solo / 4:00pm Banjarmasin

As a conclusion of AT2030 initiatives in Surakarta and Banjarmasin, this event will launch and share the findings of both initiatives: 'Inclusive Design and Accessibility of the Built Environment' and 'Building Capacity and Participation for Community-led Solutions'.

Keynote Speech by:

- **Anne MacKinnon**, UK-FCDO
- **Gibran Rakabuming**, Mayor of Surakarta
- **H. Ibnu Sina**, Mayor of Banjarmasin

Presentations by:

- **Mikaela Patrick**, Global Disability Innovation Hub
- **Julian Walker**, University College London

and responses from disabled people's organisations (DPOs), community representatives, the city planning agency, and representatives from Indonesia's National Commission for Disabilities and the Executive Office of the President.
