

PUZZLE INSTRUCTIONS

1. Give the puzzle pieces to the different local organizations and/or individuals in Hackney Wick.
2. Ask the kids/youth to represent the local area by painting, drawing or writing what they like or do not like about the green and open spaces.
3. In the same way, in another puzzle, paint, draw or write what their needs, aspirations and expectations in relation to these areas are.
4. Bring the different puzzles to the Hackney Wick Festival and mix them.

Then:

- a. Put all the same pieces of different puzzles together
- b. Assemble the puzzles using pieces from different puzzles
- c. Play with the puzzles. The pieces would fit in multiple places so each puzzle could be unique to the person putting it together.
