

J. Doctorate in Clinical Psychology, 2010

UCL Faculty:

- ▶ Research Department of Clinical, Educational and Health Psychology

Current Role:

- ▶ Clinical Psychologist

Sector:

- ▶ Mental Health

J. works for the NHS as a Clinical Psychologist specialising in Child and Adolescent Mental Health. J. completed her Doctorate in Clinical Psychology so that she could secure her current position. Her doctorate investigated Autism Spectrum Disorder and autistic traits in early onset eating disorder.

J. believes her doctoral expertise is essential for her role and that having a doctorate is essential for her career progression. When entering the jobs market, J. found the competition for jobs very strong with a lack of available positions. J. was able to secure her current role by searching adverts on online job sites and in sector-specific publications.
