

2021 UK Annual Neuromuscular Translational Research Conference

Abstract Submission Instructions

The Neuromuscular Translational Research Conference welcomes the submission of abstracts relating to neuromuscular diseases. Accepted abstracts will be selected for either oral platform, oral flash poster, or poster presentations.

By submitting your abstract, you are confirming that, if your abstract is accepted, you will prepare and submit a poster for the deadlines provided, and will register for and will attend the conference on both days.

Deadline:

Deadline Friday 15th January 2021 12 Noon UK time, or on receipt of first 100 abstracts, whichever is earlier (there will no extensions)

Abstracts must be emailed to cnmd.contact@ucl.ac.uk

Categories:

You *must specify* which of the below categories your abstract belongs to:

- A. Motor nerve disorders
- B. Neuromuscular junction disorders and channelopathies
- C. Dystrophy (pre-clinical)
- D. Dystrophy (clinical)
- E. Mitochondrial disease
- F. Peripheral neuropathy
- G. Other diseases (including muscle)
- H. Diagnostics and Cross-Cutting therapies

Abstract structure:

Format: MS Word

Font: Verdana, 10 pt

Length: **350 words maximum, excluding affiliations**

Text alignment: left

The abstract should be structured as follows:

Title: (in bold)

Authors: *

Affiliations: (in italics)

Background:

Aims:

Methods or Patients or Materials:

Results:
Conclusion:

***The presenting author's name must be in bold and underlined on the abstract**

Please provide the (work) email address of the presenting author

Requirements

The abstract must be submitted by the presenting author

The presenting author of the abstract must register for the conference and must be eligible for conference attendance (please check before submission).

Abstracts must be written in English.

The person submitting the abstract must be the person with whom we should correspond about the abstract. This person is responsible for liaison with co-authors.

Submitters will be notified by email if their abstract has been accepted. Please check all inboxes.

All abstracts should be fully checked before submission. We reserve the right to correct spelling / typographical errors in the abstracts.

All abstracts will be made available for online viewing to registered delegates of the conference up to four days in advance of attending the event, and may also be made available online for up to three weeks after the event. By submitting your abstract, you are agreeing to the above.

Accepted abstracts will either be selected to be 15 minute platform presentations, 5 minute flash poster oral presentations with three slides or online poster presentations (poster format will be 3 PowerPoint slides).

If your abstract is accepted and you do not provide your finalised poster in accordance with any deadlines specified, we reserve the right to remove your abstract / poster from the event.

Encore abstracts are not accepted.

Abstracts from industry / pharmaceutical companies should not be submitted via this call for abstracts. Please submit via the industry sponsor abstracts route. Please contact cnmd.contact@ucl.ac.uk

Submission checklist

- Submit by deadline specified, to specified email address
- Specify in your email and on your document which of the categories provided your abstract belongs to
- Format and structure instructions have been followed
- Abstract has been submitted by the presenting author
- The presenting author has registered for the conference and is eligible to attend
