

2024 UK Annual Neuromuscular Translational Research Conference

Abstract Submission Instructions

The Neuromuscular Translational Research Conference welcomes the submission of abstracts relating to neuromuscular diseases. Accepted abstracts will be selected for either oral platform, oral flash poster, or poster presentations.

By submitting your abstract, you are confirming that, if your abstract is accepted, you will prepare and submit a poster for the deadlines provided, and will register for and will attend the conference on both days.

Deadline:

Deadline 17th January 2024 12 Noon UK time, or on receipt of first 120 abstracts, whichever is earlier (there will no extensions)

Abstracts must be emailed to cnmd.contact@ucl.ac.uk

Categories:

You must specify which of the below categories your abstract belongs to:

- A. Motor nerve disorders
- B. Neuromuscular junction disorders and channelopathies
- C. Dystrophy (pre-clinical)
- D. Dystrophy (clinical)
- E. Mitochondrial disease
- F. Peripheral neuropathy
- G. Other diseases (including muscle)
- H. Diagnostics and Cross-Cutting therapies

Abstract structure:

Format: MS Word

Font: Verdana, 10 pt

Length: **350 words maximum, excluding affiliations**

Text alignment: left

The abstract should be structured as follows (pls copy and paste and overwrite the below...):

Title goes here

Presenting author¹, other author¹, another e. author², another author name³,

¹*Institution name*

²*Second institution name*

³*Third institution name*

workemailaddressofpresentingauthor@here.co.uk

Background: Background info here

Aims: Aims info here

Methods/Materials: Methods info here

Results: Result info here

Conclusion: Conclusion info here

Pls note:

The presenting author's name must be in bold and underlined on the abstract

Please provide the (work) email address of the presenting author

Requirements

The abstract must be submitted by the presenting author

The presenting author of the abstract must register for the conference and must be eligible for conference attendance (please check before submission).

Abstracts must be written in English.

The person submitting the abstract must be the person with whom we should correspond about the abstract. This person is responsible for liaison with co-authors.

Submitters will be notified by email if their abstract has been accepted. Please check all inboxes.

All abstracts should be fully checked before submission. We reserve the right to correct spelling / typographical errors in the abstracts.

All abstracts will be published as part of a supplement in an academic journal – by submitting your abstract, you are agreeing to this.

Accepted abstracts will either be selected for 15 minute platform presentations, 5 minute flash poster oral presentations, or posters.

If your abstract is accepted and you do not provide your finalised poster in accordance with any deadlines specified, we reserve the right to remove your abstract / poster from the event.

Encore abstracts are not accepted.

Abstracts from industry / pharmaceutical companies with no academic research component should not be submitted via this call for abstracts. Industry members wishing to discuss sponsorship packages including a research poster should please contact cnmd.contact@ucl.ac.uk

Submission checklist

- Submit by deadline specified, to specified email address
- Specify in your email and on your document which of the categories provided your abstract belongs to
- Format and structure instructions have been followed
- Abstract has been submitted by the presenting author
- The presenting author has registered for the conference and is eligible to attend
