#### MAINTAINING ACCESS

- In order to maintain uninterrupted access to UpToDate Anywhere, you must re-verify your affiliation with your organization once every 90 days.
- To re-verify, log in to UpToDate with your user name and password by going to http://qst/uptodate from any computer connected to your hospital or via the useful links section on the staff intranet.

Please Note: In-application & email messaging will inform you of the need to verify affiliation if you have not done so by day 80. You will receive a second alert at day 90. If you fail to reverify by day 90, you will lose mobile and remote access. To regain access, simply login to UpToDate with your user name and password while connected to your hospital or organization's network.
