

Set up a citation alert in Web of Science

1. Go to the Web of Science (wok.mimas.ac.uk) and click to gain access:

2. Conduct a search for your publication. Click on the title of publication in the search results to view full publication record.

3. To the right of the screen, click on the option **Create Citation Alert**.

4. If you do not have a Web of Science account, click on Register. Otherwise, enter your username and password. Then click on Create Citation Alert in the pop-up box.
