Film and Discussion: When China Met Africa

Wednesday 20th May, 6:30pm, UCL Gower Street

FREE – part of UCL Festival of the Arts 2015. See Festival programme for room details.

A screening of the award-winning observational documentary *When China Met Africa* which explores China's influence in the continent through the stories of three individuals in Zambia.

Following the film, director **Nick Francis** will join **Benny Dembitzer**, a British economist and specialist in the economies of developing nations, and **Dr Vivienne Lo**, Director of the UCL China Centre for Health and Humanity, for a discussion.

This event is organised in collaboration with Ming-Ai (London) Institute.
