Supplier shall provide such assistance as UCL may reasonably require for this purpose.

If, following such tests and checks, UCL is of the reasonable opinion that the Scientific Equipment item does not meet all of the Acceptance Requirements, then UCL may terminate this Agreement with immediate effect by giving notice of such termination to Supplier in writing, whereupon Supplier shall refund to UCL sums paid by UCL to Supplier under this Agreement and no further amounts shall be payable by UCL to Supplier hereunder.

I. Each item of Scientific Equipment supplied, installed, set-up, configured and calibrated by Supplier shall only be taken to be accepted at the time when Supplier verifies, calibrates and tests the item and then re-performed the Set-up and Configuration Services in such form as is necessary to ensure that the repaired or replaced Equipment item meets, in whole or in part, all of the Acceptance Requirements, within five Business Days (or such other period as the Parties may agree in writing) of UCL’s notification under Clause 8.4(b).
