

# Graduate Open **Events**

**UCL Industry Exchange Network**

**Dr Carolyn Phelan**

# UCL IXN

- **IXN is our industry exchange network**
  - Over 10 years old
  - Postgraduate projects take place as part of IXN Innovation
- **A third of MSc marks are awarded for the final project**
  - Usually 3-months over the summer
  - Some programmes start their projects in January
- **IXN provides the opportunity to do the project with an industrial partner.**

# Project process

- **Topic defined by companies & refined by our team**
  - Appropriate for your programme
  - Appropriate length and challenge for MSc project
- **Support structure in place for your own partnerships**
- **Students allocated an industry and UCL supervisor**

# Partners

and  
more...

# Outcomes

- **Dissertation**
  - ~50-page piece of work
- **Student presentations and showcases**
- **Hiring opportunities**
