Monday 11/06/2007

On 11/06/2007 the government had a defeat in the House of Lords on an amendment to the Offender Management Bill: To insert a new clause 'Procedure for Orders Under Section 12' which would require the Secretary of State to publish a report before contracting offender management tasks such as writing core reports to the private sector (super-affirmative procedure).

This was defeat number 28 in the parliamentary session.
