**TESTING AND REPORTING**

**CONNECT TO PROTECT**
Report your COVID-19 status through UCL
Connect to Protect
Help us keep our community safe and let us know:
- if you have symptoms of coronavirus
- if you need to self-isolate
- the results of your coronavirus tests whether positive or negative

Find out more at app.ucl.ac.uk/ConnectToProtect

**TESTING 1 IN 3**
Around 1 in 3 people don’t have symptoms
You should get tested for COVID-19 twice a week
Anyone can order free rapid lateral flow tests (LFTs) and get results within 30 minutes
You can also get tested locally or on campus

Visit ucl.ac.uk/coronavirus for more information

**SURGE TESTING**
Check if surge testing is happening in your area
Local surge testing is used to monitor and respond to outbreaks of new variants of COVID-19
Get tested even if you don’t have symptoms, you’ve been vaccinated or you’ve had COVID-19 before

Search: surge testing

**LFT COLLECTION**
Check if surge testing is happening in your area

Rapid COVID-19 Lateral Flow Tests (LFTs)
Please help yourself to a box and test yourself at home before travelling to campus.
Whether positive or negative, report your status through UCL Connect to Protect.
If this collection point is empty, please email connecttoprotect@ucl.ac.uk.

Please note: You should use these tests if you don’t have COVID-19 symptoms. They are not suitable for travel and quarantine testing. If you have COVID-19 symptoms, self-isolate and book a PCR test immediately.
