2018- 07	Hannah	Ishmael	Information studies	Creating and Finding Voices: the role of oral histories and community-led archives in the African diaspora
2018- 07	Anne	Laybourne	Division of Psychiatry	What should we do and how should we do it? A networking and consensus event to set an agenda for older people's care research in Newham
2018- 07	Joanna	Morrison	Institute for Global Health	Visual techniques for ethical engagement
2018- 07	Rachel	Rosen	Department of Social Science, Institute of Education	Bridging Migration Research and Experience: co-constructing knowledge about gender, migration and settlement
2018- 07	Emilia	Smeds	Science, Technology, Engineering and Public Policy	Take back the night: a night in the life of London's care workers

2018-07	Jenny	McArthur	Science, Technology, Engineering and Public Policy	Take back the night: a night in the life of London's care workers
2017-07	Caroline	Hilton	Department of Learning and Leadership	Supporting children with Apert syndrome to become confident learners of mathematics.
2017-07	Christian	Nold	Geography	Are you listening? Noise and its impact on well-being at Heathrow
2017-07	Claire	Shih	Centre for Translation Studies (CenTraS)	Promoting access to health information and services in the Chinese community in the U.K.: a translation/interpreting project and an app for medical terminologies
2017-07	Emma	Matthews	Institute of Neurology	A family consultation day to discuss the development of a registry of sudden unexpected death in infancy and childhood
2017-07	Eve	Mackinnon	Civil, Environmental & Geomatic Engineering	Co designing of faecal waste management options on canal boats
2017-07	Irene	Petersen	Primary Care and Population Health, Institute of Epidemiology and Health Care	Psychotropic medication in pregnancy – translation of evidence into practice
2017-07	Katherine	Twamley	Social Science	Fathers and parental leave: An exhibition on Father's Day 2018
2017-07	Katie	Harron	Institute of Child Health	FNP turns 10
2017-07	Nerea	Amoros Elorduy	School of Architecture	Engaging place-making: Architectural design and mural-making workshop with refugees, young architects and artists to improve young children learning in Kiziba refugee camp.

2017-07	Patrick	Glen	Research associate	History	Remembering 1960s British Lesbian, Bisexual and Queer Women's Cinemagoing
2017-07	Sara	Ghorashian	Senior lecturer/reader	UCL Great Ormond Street Institute of Child Health	A focus for family participation: CAR T cell games that start a conversation
2017-07	Tse-Hui	Teh	Student	Bartlett	Compost conversations
2017-07	Vicky	Price	Professional services staff	Library Services	East London: Place, Memory, Life
2016-11	Nicola	Antaki	Graduate student	Development Planning Unit/Bartlett School of Architecture	A learning architecture: an exhibition of Muktangan community practice-led design research interventions from the Mariamma Nagar settlement
2016-11	Iwona	Bisaga	PhD	CEGE	Energy access targets and aspirations: participatory mapping and photography workshop with remote rural communities in Rwanda
2016-11	Alice Ran	Cai	Research associate	Division of Medicine	Engaging young people with chronic rheumatic conditions in research development and communicating their ideas through digital media
2016-11	Rachael	Frost	Research associate	Primary Care and Population Health	Engaging with mental health research in very late life
2016-11	Abril	Herrera Chavez	Postgraduate research student	Bartlett School of Architecture	Storytelling maps and internet clinic
2016-11	Evangelos	Himonides	Reader	Culture, Communication and Media, IOE	Beat-boxing after laryngectomy
2016-11	Briony	Hudson	Research associate	Marie Curie Palliative Care Research Department, Division of Psychiatry	How can we help homeless people with advanced illness to live well and plan for the future?

2016-11	Sara	Joiko Mujica	Postgraduate research student	Education, Practice and Society, IOE	Empowering migrant parents: a school-family relationship approach
2015-10	Bowersox	Jeff	Lecturer	SELCS	Migration and Blackness: The Changing Faces of Germany
2015-10	Sarah	Crafter	Senior Lecturer	Thomas Coram Research Unit	Many voices, many languages: Being a Young Translator
2015-10	Ava	Fatah	Senior research fellow and teaching fellow	Bartlett Graduate School	Community led Co-production of Heritage
2015-10	Pascale	Hofman	PhD	Development Planning Unit	Mapping water supply facilities in low income areas of Dar es Salaam
2015-10	Deborah	Padfield	Staff	Slade School of Fine Art/Joanna Zakrzewska	Encountering Pain: hearing, seeing, speaking
2015-10	Shema	Tariq	Research Fellow	Research Department of Infection and Population Health	Exploring HIV, reproductive ageing and womanhood through performancebased approaches
2015-03	Stacy	Hackner	PhD student	Institute of Archaeology	The Bone Lab on Tour – Green Man Festival Stall
2015-03	Rose	Gilbert	Research Fellow	Institute for Ophthalmology	“Eating for Eye Health”
2015-03	Jessica	Sims	Professional Services Staff	Division of Surgery and Interventional Science	Biobanking: the board game
2015-03	Jane	Fenoulhet	Professor	Dutch department/Centre for Low Countries Studies	Dutch Encounters

2014-11	Timothy	Carroll	Teaching fellow	Department of Anthropology	The story of Seething: exhibition and community engagement
---------	---------	---------	-----------------	----------------------------	--

2014-11	Nicola Jayne	Robertson	Professor	Institute for Women's Health	Baby brain protection: Involving parents in research to prevent brain damage in newborn babes
2014-11	Emily	Stapley	Postgraduate research student	Research Department of Clinical, Educational, and Health Psychology	The experience of young people with depression - a film project
2014-04	Giovanni	Biglino	Research fellow	Centre for Cardiovascular Imaging	Involving teenagers and parents in the evaluation of introducing of 3D patient-specific models of congenial heart disease into clinical practice
2014-04	Nathaniel	Tobias Coleman	Research Associate	Arts and Humanities	No Reparation, Without Preparation!
2014-04	Ava	Fatah	Senior research fellow and teaching fellow	Bartlett Graduate School	Connecting Communities through situated media screens
2014-04	Helen	Greaves	Postgraduate Research Student	Geography	Farming for the Future: Improving Freshwater Biodiversity on Agricultural Land
2014-04	Clare	Melhuish	Research Associate	Urban Lab	Making sense of digital data: inclusive visualisation workshops as a component of participatory urban regeneration in Brixton
2014-04	Kamna	Patel	Lecturer	Development Planning Unit	A Sense of Place: Knowing Your City
2014-04	Helen	Stagg	Senior Research Associate	Research Department of Infection and Population Health	Scientists in the community: we work for you

2014-04	Linda	Wijlaars	Research Associate	Population, Policy and Practice, Institute of Child Health	Visualising child health data
2013-11	Kalliopi	Fouseki	Lecturer	UCL Centre for Sustainable Heritage	#Deleted

2013-11	Angela	Hassiotis	Staff	Mental Health Sciences & Clinical, Educational & Health Psychology	Public engagement in mental health research in intellectual disability
2013-11	Jane	Holder	Professor	Faculty of Laws	Developing Community Capacity on Urban Greens
2013-11	Jane	Humphris	Research Fellow	UCL Qatar	Public Archaeology and Engagement in Sudan
2013-11	Abigail	Page	Postgraduate Research Student	Anthropology	Healthy Hunters Workshop
2013-11	Carol	Porteous	Support Staff	NICOR, UCL Institute for Cardiovascular Science	Engaging Hearts Informing Minds
2013-11	Dave	Redding	Research associate	CBER/GEE	Unlocking London's biodiversity from its abandoned Victorian cemeteries
2013-11	Rodney	Reynolds	Teaching fellow	Institute of Global Health	
2013-05	Petra	Boynton	Senior lecturer / Reader	ACME, UCL Medical School	I had to be strong for her': using storytelling to raise awareness about partners of women who have experienced pregnancy loss

2013-05	Helene	Burningham	Lecturer	UCL Department of Geography	Friends of Sheskinmore
2013-05	Lena	Ciric	Lecturer	Civil, Environmental & Geomatic Engineering	Natural history of a poo
2013-05	Jayne	Kavanagh		Academic Centre for Medical Education, UCL Medical School	Stories from the soul: doctors' choices, women's lives
2013-05	Ulrich	Tiedau	Senior lecturer / Reader	Dutch / SELCS	Dutch Walks in London

2012-12	Carolyn	Bruce	Lecturer	Language & Communication	Life without words: an exhibition of art by people with aphasia
2012-12	Alan	Cottenden	Professor	UCL Medical Physics and Bioengineering	Top tips for managing incontinence
2012-12	Delan	Devakumar	Postgraduate research student	UCL Institute for Global Health	Smokescreen: exploring indoor air pollution through art
2012-12	Dominic	Furniss	research associate	UCL Interaction Centre	Errordiary in Healthcare: Raising Awareness of Human Error and Resilience
2012-12	Hannah	Levis	Research associate	Institute of Ophthalmology	Cornea Connect
2012-12	Mine	Gul	Lecturer	UCL School of Pharmacy	Caring about your view to improve care of older people

2012-12	Jonathan	Rohrer	Lecturer	Dementia Research Centre, UCL Institute of Neurology	Familial frontotemporal dementia (Ftd) support network meeting
2012-12	Kate	Smith	Research fellow	History	Global Stories in Domestic Spaces
2012-06	Ego	Ahaiwe	Postgraduate student	UCL Department of Information Studies	"We Are Here" Black Feminist Exploration
2012-06	Catrina	Denvir	Postgraduate student	Centre for Empirical Law	Legal Life Skills
2012-06	Alan	Ingram	Lecturer	Geography	Art & War: Responses to Iraq
2012-06	James	Millen	Research associate	Physics & Astronomy	Marketable Science
2012-06	Ben	Page	Senior lecturer / Reader	Geography	Malaria and the African Diaspora in the UK

2012-06	Martina	Sebastian		Interdepartmental student group at UCL	iGEM Street Lab
2012-01	Claire	Dwyer	Senior lecturer/reader	Geography	Faith and Suburbia Photography Project
2012-01	Gemma	Romain	Research associate	Geography/the Equiano Centre	London art in the age of jazz: a Black history in London open day
2012-01	Martin	Austwick	Research associate	Centre for Advanced Spatial Analysis	Bringing London to Bloomsbury

2012-01	Mairead	MacSweeney	Research Fellow	Institute of Cognitive Neuroscience	Information sharing and discussion event on the Developmental Research at DCAL
2011-08	Tanya	Denmark	Research associate	DCAL	Public engagement event for older deaf people
2011-08	Rachel	Joynes	Support staff	Institute of Child Health	Scoping engagement at the Institute of Child Health
2011-02	Martin	Austwick	Research associate	Centre for Advanced Spatial Analysis	Spatial Awareness: the CASA project
2011-02	Katy	Beinart	Postgraduate student	Bartlett	Origination
2011-02	Helen	Chatterjee		Division of Biosciences; Museums & Public Engagement	The journey to find and save the world's rarest primates
2011-02	Sangeeta	Dave	Research associate	Centre for Sexual Health & HIV Research & Institute for Women's Health	Development of user participation groups for Archway centre
2011-02	Joana	Geraldi	Lecturer	Bartlett School of Construction and Project Management	Putting knowledge into practice

2011-02	Jane	Gregory		Science & Technology Studies	The harmony of the spheres - a concert
2011-02	Liz	Jones	Teaching fellow	Civil, Environmental and Geomatic Engineering	Lampeter Town Meeting

2011-02	Rashmi	Mathew	Specialist registrar	Moorfields/Institute of Ophthalmology	Glaucoma public engagement day
2011-02	Ifat	Yasin	Senior lecturer/reader	Ear Institute	Speaking and listening in a noisy world
2010-10	Noemie	Bouhana	Lecturer	Department of Security and Crime Science	Will the real crime science please stand up
2010-10	Gill	Furlong	Head of special collections and archivist	Library Services	Write on
2010-10	Jennifer	Griffiths	Teaching Fellow	Medical Physics and Bioengineering	Capacity building in the Engineering Faculty for interactive PE tools
2010-10	Matthew	Robinson	Lecturer	Greek and Latin	Dialogues with the dead
2010-10	Jakob	StougaardNielsen	Lecturer	Scandinavian Studies	Nordic Noir: Scandinavian crime book club
2010-10	Valerie	Wallace	Research associate	Bentham Project	Bentham in the community
2010-04	Alex	Braithwaite		Political Science/School of Public Policy	Engaging London's diaspora populations
2010-04	Michael	Edwards	Staff	Bartlett	Building community engagement into the London Plan
2010-04	Dan	Martin	Staff	Development and Corporate Communications Office	Lunch Hour Lectures on tour

2010-04	Hannah	Mitchison	Staff	Institute of Child Health	Ciliopathy awareness 2010
2010-04	Susan	Moore	Staff	Bartlett School of Planning	Drawing DiverCITIES: Walk-Talk-and-Draw
2010-04	Tse-Hui	Teh	Student	Bartlett	Water evening
2010-04	Mary	Wickenden	Staff	Institute of Child Health	Listening to us: hearing the voices of disabled teenagers
2009-12	Angela	Hassiotis	Staff	Mental Health Sciences & Clinical, Educational & Health Psychology	Learning disabilities research for the non-expert
2009-12	Narciss	Okhravi	Staff	Institute of Ophthalmology	Birdshot patient camp
2009-12	Jill	Shawe	Research fellow	Centre for Sexual Health & HIV Research and Institute for Women's Health	Development of a patient participation group
2009-07	Rosemary	Ashton	Staff	English	Bloomsbury Day
2009-07	Pushpa	Arabindoo		UCL Urban Laboratory/Department of Geography	Community engagement through cinema soirees
2009-07	Sebastian	Crutch	Staff	Institute of Neurology	Familial Alzheimer's Disease Support Network Consultation
2009-07	Michael	Edwards	Staff	Bartlett	Building community engagement in the London plan

2009-07	Jenny	Gimpel	Staff	Development & Corporate Comms	Donating your body to medical science
---------	-------	--------	-------	-------------------------------	---------------------------------------

2009-07	Andrew	Harris	Staff	UCL Urban Lab	Towers of London
2009-07	Celia	Morgan	Staff	Clinical, Health & Educational Psychology	K-Day
2009-07	Sharon	Morris	Staff	Slade School of Fine Art	Slade word image event
2009-07	Alison	Wallace	Research student	Space & Climate Physics	Sound pattern distribution
2009-07	Katherine	Woolf	Staff	Division of Medical Education	Whittington film festival
2009-04	Rosemary	Coates	PhD student	Chemistry	Science Soirees
2009-04	Lucie	Green	Staff	MSSL	Community open day
2009-04	Teresa	Hoskyns	PhD Student	Bartlett School of Architecture	First moments
2009-04	Ian	Needleman	UCL Eastman Dental Institute		Public Engagement in Oral Healthcare Research
2009-04	Matthew	Pope	Research fellow	Institute of Archaeology	Stone Age Community Archaeology Day

2009-04	Sancy	Low		UCL IOO (Genetics and epidemiology)	Glaucoma, Genes and Me
2009-04	Jayne	Dunn	Staff	UCL Museums & Collections	Disposal?
2008-12	Jill	Goddard	Staff	UCL Institute of Environment	Thames discovery programme: training events

2008-12	Katrina	Scior	Staff	Clinical Educational & Health Psychology	Involving Service Users in Clinical Psychology Training
2008-12	Wendy	Bracewell	Staff	SSEES	Destination London: Writing Cities
2008-12	SarahJayne	Blakemore		Institute of Cognitive Neuroscience	The teenage brain - a work in progress
2008-12	Katie	Lloyd Thomas	Staff	Bartlett School of Architecture	This Is For You
2008-12	Mikey	Rosato	Staff and research student	Centre for International Health and Development, Institute of Child Health	MaiMwana women's groups photography exhibition
2008-12	Mary	Stevens	Staff	SLAIS	Diverse community archives: promoting sustainability through skills and knowledge sharing
2008-12	Joanna	Atkinson	Staff	Deafness, Cognition and Language Research Centre, UCL	'The Deaf brain and sign language', a DCAL open day aimed at the British Sign Language community
