Financial Support

Supporting Your Education At UCL Qatar

Academic Excellence And Affordability Of Education

To support your education UCL Qatar offers a generous range of academic scholarships and financial assistance options to suit the needs of our most talented applicants. UCL Qatar’s student financial support is tailored to meet the needs of our potential students. This may include scholarships, awards and bursaries.

Rewarding Excellence: The UCL Qatar Scholarship Scheme

Candidates who demonstrate outstanding academic achievement and, where appropriate, excellent personal and professional skills, can be awarded this scholarship. The UCL Qatar Scholarship can cover up to 100% of the tuition fees.

Supporting Need through Excellence: The UCL Qatar Award and UCL Qatar Bursary Scheme

UCL Qatar is committed to affordable education. Awards and Bursaries are open to all eligible candidates who demonstrate proven financial need. The UCL Qatar Award can cover up to 100% of the tuition fees and the UCL Qatar Bursary can assist with living expenses.

Funding Opportunities

Scholarships & Financial Assistance

Fully-funded International Class Study Trip

Fully Funded Living And Educational Support

UCL Qatar’s learning and student experience includes a wide range of education and professional training opportunities beyond the classroom, all of which are made available to students accepted to our Master degree programmes.

Accommodation

All eligible UCL Qatar students who require it are provided with free accommodation on the Education City campus.

Training Funds

UCL Qatar students have access to professional development funding, to attend conferences or training courses relevant to the objectives of their studies.

Study Trips

Collective study trips for UCL Qatar students to specific international and national destinations or conferences may be organised one or more times during the academic year. These trips will be fully funded by UCL Qatar.

Placements

Most UCL Qatar students undertake a professional placement, either in Qatar or internationally, to practically apply their academic knowledge, learn new methods and gain valuable work experience. Major expenses such as travel, accommodation and subsistence are fully funded by UCL Qatar.

Graduation Ceremony

As the culmination of a unique academic and life experience at UCL Qatar, we support our graduating students to return to Doha to attend their graduation ceremony, which takes place in the calendar year following the completion of study. Flights and accommodation for graduating students are funded by UCL Qatar.
