## TEACHING

**Teaching Experience, 1978-1990:** Brown, Bowdoin, Harvard, Rhode Island School of Design (RISDI); *Introduction to Anthropology* (Harvard: 6 years; Bowdoin: 2 Years, UMass-Boston: 3 years); *Medical Anthropology* (Harvard: 6 years, Bowdoin 2 years); *Folklore and Oral History*: (Harvard 3 years; Bowdoin: 2 years; Brown 2 years); *Folklore of New England*: (Bowdoin 2 years; Brown University: 3 years); *American Folk Art*: (Rhode Island School of Design: 2 years).

### Teaching Experience: Yale – (1990-2008)

Annual:

1) Introduction to Qualitative Research Methodology. (GHD 580b) Qualitative research core course for graduate students at the Yale Schools of Public Health, Medicine, Nursing.. Average: 12-20 graduate students. Taught 2001-2008.

2) Introduction to Global Health (GHD 551b) Core course, Global Health Division, MPH Program. Average: 35-40 graduate students. Taught 1993-2008.

3) Topics in Global Health (GHD 513b) Core course, Global Health Division, MPH Program. Average: 35-40 graduate students. Taught 1993-2008.

4) International Public Health Practice Seminar (556b) Average: 30-40 graduate students. Taught 2000-2008.

### Regularly taught at Yale:

5) Cross-cultural Issues in Health. (GHD 579a). Introduction to medical sociology & anthropology for graduate public health, medical and nursing students. Spring semesters, bi-annually. Taught 2000-2008.. Average: 15-20 graduate students.

6) Violence in Society. Biannually Survey course on domestic and global violence. Taught 1999-2005.-Average 15-20 graduate students.

7) Disability and Global Health. Biannually.. Advanced level seminar on global disability policy and practice. Taught 1997- 2008.Average 8-12 graduate students.

**Additional Teaching at Yale:** Invited lectures, seminars and workshops at Yale School of Public Health, the Medical School, the Nursing School and Yale College 8-10 times per year. Various topics include cross-cultural/ ethnic and minority health, disability, violence and human rights.

Institute for Social and Policy Studies (ISPS) Co-Chair: Working group on Disability and Bioethics. In addition to being Co-Chair of working group, responsible for speakers and Programming during the academic year. 2003-present.

Domestic Violence Seminar Founding Faculty Advisor and Chair, 1996-2001; Faculty Advisor, 2001-2008. Co-sponsored by Yale Public Health and Yale Medical Students' Association, open to the University and members of the New Haven community.

### **Additional Teaching**

2008. World Health Organization – Venice. Training Course on “Investment for Health: Integrating Health in All Policies. March 9-14, 2008. Course designed and run in collaboration with WHO European Office for Investment for Health and Development (Venice); University of Padua Medical School, Veneto Region and Yale University. N. Groce, L. Levin and F. Lirussi, course directors.

### **Teaching at University College London , 2008-on**

EPH Social Determinants of Health Summer School, 2009-on. Lecturer, Module on Disability.

Institute of Global Health Module on Disability. Lecture on Disability and Development 2009-2015.

Disability and Development Module – Institute of Global Health. UCL. Co-teach with Dr M. Wickenden through 2018/ with Dr Maria Kett, 2019-on.

Regular guest lecturers in classes at Institute of Global Health and Epidemiology and Public Health on vulnerable populations, global health, disability and development. 2008-2018. 6-8 lectures at UCL per year.

### **Student Thesis Research Supervision - Summary**

**Yale University:** 1990-2009

- **Yale Undergraduate BA/ BS Thesis: Department of Anthropology, Sociology, Political Science, History Forestry, Engineering – Total 29**
- **Yale University Masters' Thesis**
  - A. Masters of Public Health THESIS - Global Health, Health Policy & etc.**
    - 1991-2009: 1<sup>st</sup> Reader for 89 Master of Public Health Thesis.
    - 1991-2009 2<sup>nd</sup> Reader on 54 MPH Theses
    - 1991- 2007: 8 Nursing/MPH Theses.
    - 1991-2009 20 Medical Student Thesis

**MA/MSc Dissertation Committees: External Reader at other Universities (1990-2009) – 21 Theses. Since 2009:**

- 22) 2009. Karikari, Justice. AIDS and persons with Disabilities. York University, Canada. Critical Disability Studies Program. (MA Thesis). (On hold)
- 21) 2009. Bluewet, Cheri Ann. Physical Exercise among Young Women with Disability in Tanzania. MD Thesis, Stanford University Medical School.
- 23) 2009 Adeoye, Adewale. Developing an Evidence Base for Community Based Rehabilitation (CBR): A case study of the Tororo CBR Programme in Uganda.. University of East Anglia, UK.
- 24) 2009.Hirji-Khalfan, Raihanna. The Inclusion of Disability in Existing International Development Programmes. York University, Toronto, Canada.
