## Health and lifestyles of people aged 50 and over Consent Withdrawal Form

In a past ELSA interview we asked about your health and economic circumstances. Our records show that you previously gave us your consent to find out

- more about your health and treatment from NHS health records and/or,
- more about your National Insurance Contributions, benefits and tax credits from data held by the Inland Revenue (now part of Her Majesty's Revenue and Customs) and the Department for Work and Pensions (formerly the DSS).

We only use the information from these records for research purposes. Names and addresses are never included in the results and no individual can be identified from the research.

Please indicate which consent you wish to withdraw by ticking the appropriate box(es) below. Withdrawing your consent will mean that your information will not be made available in the future to anyone wishing to carry out analyses of this data. Please ask the interviewer about anything that concerns you or you can call the ELSA team on 0800 652 4574.
