INTRODUCTION – How to read this document

➤ Content of this document

This document specification of the CAPI questionnaire instrument used on the ELSA Wave 8 interviewer fieldwork, carried out between May 2016 and June 2017.

➤ Important notes and usage information

Here follows important general information about the interviewer questionnaire specification:

Modules

The Wave 8 interviewer questionnaire includes 15 CAPI modules, presented here in the order of the interviewer visit, as well as two paper self-completion questionnaires (presented later in this same document). The measurement module is placed at the end of the specification, but it could be accessed/completed at any suitable point during the interview, after the household grid eligibility computation had been completed. The Wave 8 archived data reflects the same order of modules and variables. The majority of the variables are archived in the individual-level main ELSA dataset. The exception is the private pensions module: the variables from the pensions loop are archived in a separate pension-level “pension grid” dataset.

Note that the Wave 8 measurements block includes an additional weight measurement section, included in the ELSA nurse visit on previous waves. In contrast, the cognitive function ‘fluid intelligence’ section was moved to the nurse visit in Wave 8. For further details about the content of the ELSA interviews across the waves, please refer to the ELSA Questionnaire Content Across Waves 1–8 at the end of this documentation and the ELSA Interviewer User Guide.

Textfills

^ - This annotation is shown before any textfills that were used in questions. The different options of the textfill are provided in square brackets e.g. [^him/her].

Routing

<> - This annotation is used to indicate ‘not equals to’.

Respondents

* - This annotation after a question name indicates that it is asked of proxy and non-proxy respondents; two asterisks indicate a proxy only question. No asterisk indicates non-proxy only (i.e. questions only asked in personal interviews).

Non-archived variables

@ - This annotation is used to indicate that a variable has not been archived.

Checks

The CAPI instrument contains a number of checks to help ensure that the information entered by the nurse is accurate and consistent. The checks are numbered continuously through the modules of the questionnaire and use the module prefix (e.g. “HO” for Housing and Consumption module checks). There are two types of checks: soft checks and hard checks. A soft check is a warning that appears when the value entered is extreme or unlikely. It can be suppressed by the nurse without changing the value entered. A hard check is a warning that appears when the value entered is impossible. A hard check cannot be suppressed by the nurse without changing the value entered. The details of the checks are given at the end of each module.

Non-response codes

Unless otherwise specified, nurses have an option to enter a Don’t Know (DK) or a Refusal (RF) answer in all questions. Please see the ELSA Interviewer User Guide for more details about how non-response answers are presented in the interviewer dataset.

Archived variable names

Archived variable names are as shown unless otherwise specified (in brackets after the variable name or in a table for multicode variables).

Office-coded questions

The questionnaire specification also indicates where open text questions are coded in the office. Open answers are back-coded into one code if the target variable is single coded or into more than one code if the variable allows multicoding. Most of the coded questions are 'other' answers to existing coded questions. Where possible, the other answers are 'back-coded' in the office to the existing code-frame; otherwise they are either coded to a new office-only code or kept in an 'other – not codeable' category. As specified in the documentation, in most such cases, the archived dataset includes two sets of variables: the variables as they were collected in the CAPI interview (with 'other' answers unchanged), and the variables after office back-coding with 'other' answers back-coded. The latter set includes 'Merged' on the variable labels and "M" in the archived variable name. The following value codes are applicable for all back-coded variables.

85	Other answer – not codeable
86	Irrelevant answer – not codeable

➤ Contact details

- Please contact ELSAdata@natcen.ac.uk if you have any queries about the questionnaire.
- For information about how to access the data, please refer to the 'Archive Files' section of this documentation and UK Data Service website (<https://www.ukdataservice.ac.uk/>).

MODULES – Questionnaire specification

1 - HOUSEHOLD DEMOGRAPHICS MODULE (HD)

DHSAMEH *

ASK or CODE: Are you living at the same address as when we last interviewed you [^date of last interview]?

1 Yes

2 No

PROGRAMMING NOTE: IF (interviewing at new split household) DHSameH is computed as 'No' [IF HHNo >1, DHSameH:=2]

DHINT * @

(As you know) this is a study about the health and lifestyles of people aged 50 and over.

[^BLANK/During the interview, some of the questions you are asked will

be new to you and others will check or update information that we asked about last time. This is because we are interested in understanding what has stayed the same and what has changed.]

I would like to begin by checking our details about who lives in this household.

INTERVIEWER: Enter 1 to continue.

Range: 1..1

IF Number of people who have moved out in previous waves > 0 [NOFMov > 0]

DHBACK * @

Before beginning the interview, I just need to check whether there have been changes in who lives in this household.

Our records show that the following people have previously lived in this household.

Have any of them returned to the household? Do any of them live here now?

CODE ALL THAY APPLY.

01 [^<Name of Mover1>]

02 [^<Name of Mover2>]

03 [^<Name of Mover3>]

04 [^<Name of Mover4>]

05 [^<Name of Mover5>]

06 [^<Name of Mover6>]

07 [^<Name of Mover7>]

08 [^<Name of Mover8>]

09 [^<Name of Mover9>]

10 [^<Nameof Mover10>]

11 [^<Nameof Mover11>]

12 [^<Nameof Mover12>]

96 None of these

[code maximum 12 out of 13 possible responses]

[CHECK DH1-DH2]

END OF FILTER

HHPrev @

Computed: Complete household size (by previous wave)

0..16

LOOP FOR EACH PERSON IN HOUSEHOLD

IF (A previous household member OR Person has moved back in household) AND (Whether anyone else lives here=Yes) [(Person Number < HHPprev OR Mentioned in DhBack) AND (DhElse=1)]

IF(Death status in the feed-forward data = Thought to have died but confirmation needed [Household feed-forward Dead = 3]

DHDIEDC @

INTERVIEWER: Our records show that [^Name] has died. Is this correct?

Only ask respondent if you don't know

1 Yes

2 No

END OF FILTER

IF whether confirmed died = Yes DhName is prefilled 'No' [DHDiedC = 1, DHName=2]

DHNAME * @

Does [^<First name from last interview>][^BLANK/still] live here?

INTERVIEWER: If respondent is in an institution code 'No'."

1 Yes

2 No

END OF FILTER

IF (whether still lives here = No) AND (confirmed died <> Yes)

[DhName = 2 AND DHDiedC <> 1]

DHWHAT * @

May I ask what has happened to [^<First name from last interview>]?

1 Deceased

2 Living elsewhere - relationship ended

3 Living elsewhere - moved into a nursing/residential home

4 Living elsewhere - other reason

5 Member of the core household

(Note code 5 is only valid for new households)

[CHECK DH3]

[CHECK DH18]

END OF FILTER

IF reason for not living here = Deceased or confirmed died = yes

[DhWhat = 1 or DHDiedC = 1]

DHEIINT * @

I am sorry to hear that [^<First name from last interview >] has passed away. I just need to ask a few questions to check that we have the correct information about him/her.

INTERVIEWER: Press 1 and <Enter> to continue.

Range: 1..1

END OF FILTER

END OF FILTER

IF (no name present) [DhNN= EMPTY]

NAME @

INTERVIEWER: Enter the first name of the ^first/next household member.

Here are a few more everyday activities. Please tell me if [^you have / [^name] has] any difficulty with these because of a physical, mental, emotional or memory problem. Again exclude any difficulties you expect to last less than three months.

Because of a health or memory problem, [^do you /does he /does she] have difficulty doing any of the activities on this card?

INTERVIEWER: PROBE - 'What others?'

INTERVIEWER: CODE ALL THAT APPLY.

- 01 Dressing, including putting on shoes and socks
- 02 Walking across a room
- 03 Bathing or showering
- 04 Eating, such as cutting up [^your / his / her] food
- 05 Getting in or out of bed
- 06 Using the toilet, including getting up or down
- 07 Using a map to figure out how to get around in a strange place
- 08 Recognising when you are in physical danger
- 09 Preparing a hot meal
- 10 Shopping for groceries
- 11 Making telephone calls
- 12 Communication (speech, hearing or eyesight)
- 13 Taking medications
- 14 Doing work around the house or garden
- 15 Managing money, such as paying bills and keeping track of expenses
- 96 None of these

[code maximum 13 out of 14 possible responses]

Description	Variable	Archive
ADL: difficulty dressing, including putting on shoes and socks	HeADLb1	Headldr
ADL: difficulty walking across a room	HeADLb2	Headlwa
ADL: difficulty bathing or showering	HeADLb3	Headlba
ADL: difficulty eating, such as cutting up food	HeADLb4	Headlea
ADL: difficulty getting in and out of bed	HeADLb5	Headlbe
ADL: difficulty using the toilet, including getting up or down	HeADLb6	Headlwc

IF reported at least one difficulty with an ADL or IADL at Headla or Headlb
[(Headla<>96 or Headlb<>96)]

CATINT* @

I have just asked about difficulties [^you/^[^name]] may have with some activities. I'd now like to ask about any help [^you/^[^name]] [^have/has] received in the last month, even if [^you/^[^name]] [^do/does] not usually need any help.

Please only think about help [^you/^[^name]] [^have/has] received because of a physical, mental, emotional or memory problem.

INTERVIEWER: Press 1 and <Enter> to continue.

CATKA*

[^Have/Has] [^you/^[^name]] received help from anyone with walking 100 yards, in the last month?

INTERVIEWER: INCLUDE HELP EVEN IF IT WAS FOR A SHORT TIME OR PROVIDED BY HUSBAND / WIFE / ANOTHER FAMILY MEMBER.

1 Yes

2 No

CATKB*

What about climbing several flights of stairs without resting?

INTERVIEWER: EXPLAIN IF NECESSARY: Include help even if it was for a short time or provided by husband/ wife/ another family member.

INTERVIEWER: ASK IF NECESSARY: [^Have/Has] [^you/^[^name]] received help from anyone with climbing several flights of stairs without resting, in the last month?

1 Yes

2 No

CATKC*

What about climbing one flight of stairs without resting?

INTERVIEWER: EXPLAIN IF NECESSARY: Include help even if it was for a short time or provided by husband/ wife/ another family member.

INTERVIEWER: ASK IF NECESSARY: [^Have/Has] [^you/^[^name]] received help from anyone with climbing one flight of stairs without resting, in the last month?

1 Yes

2 No

CATKD*

What about dressing, including putting on shoes and socks?

INTERVIEWER: EXPLAIN IF NECESSARY: Include help even if it was for a short time or provided by husband/ wife/ another family member.

INTERVIEWER: ASK IF NECESSARY: [^Have/Has] [^you/^[^name]] received help from anyone with dressing, including putting on shoes and socks, in the last month?

1 Yes

2 No

CATKE* What about walking across a room?

INTERVIEWER: EXPLAIN IF NECESSARY: Include help even if it was for a short time or provided by husband/ wife/ another family member.

INTERVIEWER: ASK IF NECESSARY: [^Have/Has] [^you/^[^name]] received help from anyone with walking across a room, in the last month?

1 Yes

2 No

CATKF*

What about bathing or showering?

INTERVIEWER: EXPLAIN IF NECESSARY: Include help even if it was for a short time or provided by husband/ wife/ another family member.

INTERVIEWER: ASK IF NECESSARY: [^Have/Has] [^you/[^name]] received help from anyone with bathing or showering, in the last month?

- 1 Yes
- 2 No

CATKG*

What about eating, such as cutting up food?

INTERVIEWER: EXPLAIN IF NECESSARY: Include help even if it was for a short time or provided by husband/ wife/ another family member.

8 - INCOME AND ASSETS MODULE (IA)

IAINTRO* @

We are interested in how people are managing financially these days. Some people's income varies over time and so in order to clearly understand how people are managing financially, we need to consider their situation in the last year rather than just over the last month.

[^BLANK / Even though [^partner's name] is not living here at the moment, we are still interested in any income that [^he / she] may receive or income that is paid to [^you / [^name]] on their behalf. Please include any income that is paid directly to social services or to the home they are staying in.]

The next questions are about types of income [^you / [^name]] [^BLANK / and [^your / his / her] [^husband / wife / partner]] may [^receive / have received]. We may have asked [^you / [^name]] [^BLANK / or [^your / his / her] [^husband / wife / partner]] some of the details earlier but it is important for us to check that we understand [^your / [^name's]] situation correctly.

INTERVIEWER: Press <1> and <Enter> to continue

1 Continue

2 Refuses to answer about husband/wife

IAWORK*

Did [^you / [^name]] [^BLANK / or [^your / his / her] [^husband / wife / partner]] do any work for pay in the last year (that is since [^date a year ago])?

ASK OR CODE.

1 Yes

2 No

IF whether did paid work in last year = yes

[IAWork = 1]

IASINC*

About how much wage and salary income did [^you / [^name]] [^BLANK / and [^your / his / her] [^husband / wife / partner] receive in the last year before taxes and other deductions?

10 - COGNITIVE FUNCTION MODULE (CF)

CFINTA @

In the next section of the interview, we will do some memory and concentration tasks and I will ask about your expectations for the future and how you feel now.

01 Press <1> and <Enter> to continue.

CFMETM

Part of this study is concerned with people's memory, and ability to think about things.

First, how would you rate your memory at the present time?

Would you say it is ...READ OUT...

1. excellent,
2. very good,
3. good,
4. fair,
5. or, poor?

CFMETMT

Compared to two years ago, would you say your memory is...READ OUT...

1. better now,
2. about the same,
3. or worse now than it was then?

CFMAP

How would you rate your other mental abilities such as thinking clearly and solving problems at the present time?

Would you say they are ...READ OUT...

1. excellent,
2. very good,
3. good,
4. fair,
5. or, poor?

CFMATY

Compared to two years ago, would you say your other mental abilities are ...READ OUT...

1. better now,
2. about the same,
3. or worse now than they were then?

CFINT @

Now we will do the memory and concentration tasks.

Some of them may seem rather easy but others are more difficult so please listen carefully.

The tasks are designed so no-one gets the highest score possible. Please just do the best you can on all of them.

INTERVIEWER: Before starting the tests, make sure respondent has glasses etc if needed.

Press <1> and <Enter> to continue.

Range:1..1

CFDATD

Please tell me today's date.

INTERVIEWER: Code whether the day of month ([^today's date]) is given correctly.

- 1 Day of month given correctly
- 2 Day of month given incorrectly or doesn't know day

CFDATM

INTERVIEWER: Code whether the month ([^today's date]) is given correctly.

- 1 Month given correctly
- 2 Month given incorrectly/doesn't know month

CFDATY

INTERVIEWER: Code whether the year ([^today's date]) is given correctly.

- 1 Year given correctly
- 2 Year given incorrectly/doesn't know day

CFDAY

And please tell me what day of the week it is today?

CORRECT ANSWER: [^today's day]

- 1 day of week given correctly
- 2 day of week given incorrectly/doesn't know day

[CFPROM, CFPROMO – removed]

CFLSINT @

For the next task the computer will 'read' a list of words which I will ask you to recall. First I'd like to check that you will be able to hear the computer voice - please listen to this short message.

INTERVIEWER: Press <1> and <Enter> to activate the test message.

CFTEST

INTERVIEWER: If the respondent cannot hear properly, adjust the volume on the laptop, then go back to the previous question and press <Enter> to play the test message again.

INTERVIEWER: If the respondent still cannot hear properly, code that you will read out the list yourself.

- 1 List read out by computer
- 2 List read out by interviewer

CFWRDS

[Fed forward variable: word list used for this respondent.]

[Note for users - Respondents were read out one of four lists of words. They were given a different list to the one they were given at the last interview and each respondent in a household was given a different list. Please look at the cognitive function booklet for the four lists of words which were used.]

IF how list read out = read by interviewer

[CfTest = 2]

CFLISST @

I will now read a set of 10 words. I would like you to recall as many as you can.

We have purposely made the list long so it will be difficult for anyone to recall all the words.

Most people recall just a few.

Please listen carefully to the set of words as they cannot be repeated. When I have finished, I will ask you to recall aloud as many of the words as you can, in any order. Is this clear?

INTERVIEWER: If no, explain further.

Read out word list below at a slow steady rate approximately one word every 2 seconds.

[^list of words]

After word list has been read out press <1> and <Enter>.

END OF FILTER

IF how list read out = read by computer

[CfTest = 1]

CFLIS @

The computer will now read a set of 10 words. I would like you to recall as many as you can.

We have purposely made the list long so it will be difficult for anyone to recall all the words.

Most people recall just a few.

Please listen carefully to the set of words as they cannot be repeated. When it has finished, I will ask you to recall aloud as many of the words as you can, in any order. Is this clear?

INTERVIEWER: If no, explain further.

If yes, press <Enter> to begin test and have booklet ready.

IF word list used for respondent = Word list A

[CfWrds = 1]

CFSNDA @

INTERVIEWER: After the word list has been read out press 1 and <Enter>.

[Word list A – see cognitive function booklet]

END OF FILTER

IF word list used for respondent = Word list B

[CfWrds = 2]

CFSNDB @

INTERVIEWER: After the word list has been read out press <1> and <Enter>.

[Word list B – see cognitive function booklet]

CFLISEN

Now please tell me the words you can recall.

[^list of words]

INTERVIEWER: Write the words in the booklet provided. Allow as much time as the respondent wishes, up to 2 minutes. Enter the number of words the respondent correctly recalls.

Range: 0..10

[CHECK CF1]

CFLISP

INTERVIEWER: Please indicate whether any of the following problems occurred in relation to word recall.

CODE ALL THAT APPLY

1 Respondent had difficulty hearing any of the words

2 Interruption occurred while you were reading list

- 3 Other problem (please specify)
- 4 No problems occurred
- 5 Language problem

Description	Variable	Archive
Respondent had difficulty hearing any of the words	CfLisP1	CfLisP1
Interruption occurred while you were reading list	CfLisP2	CfLisP2
Other problem (please specify)	CfLisP3	CfLisP3
No problems occurred	CfLisP4	CfLisP4
Language problem	CfLisP5	CfLisP5

CFLISA

INTERVIEWER: Please indicate whether the respondent wrote down any of the words or used some kind of aid to recall the words in the list during the word recall test.

- 1 Respondent definitely used aid
- 2 Suspect that respondent used aid, but not certain
- 3 No reason to think respondent used aid

CFANIST @

Now I would like you to name as many different animals as you can think of.

You have one minute to do this.

The computer voice will tell you when to stop.

Ready, go!

INTERVIEWER: *Only if* the participant asks for clarification, explain that animals include birds, insects, fish etc.

INTERVIEWER: Press <1> and <Enter> as you say *go!*

Range : 1..1

CFANI @

INTERVIEWER: Write animals mentioned in booklet provided.

Enter the number of different animals mentioned.

See help <F9> for rules about what animals to include.

Rules for scoring animal naming task:

Do *not* count repetitions and do not count redundancies (e.g. white cow, brown cow).

Do *not* count named animals (e.g. Spot, Bambi, or Yogi Bear).

Different breeds (e.g. dog, terrier, poodle) and different gender or generation-specific names (e.g. bull, cow, steer, heifer, calf) *each* count as *correct*

If the respondent gives the name of an animal which you have not heard of (e.g. kudu, echidna), give them the benefit of the doubt count them as *correct*.

Range : 0..100, NODK

CfC20A @

For this next question, please try to count backward as quickly as you can from the number I will give you. I will tell you when to stop.

INTERVIEWER: ALLOW RESPONDENT TO START AGAIN IF HE/SHE WISHES TO DO SO.

INTERVIEWER: PRESS <1> AND <Enter> AS YOU SAY 'Please start with: 20'

Press 1 and <Enter> to continue

CfC20B @

INTERVIEWER: WAIT UNTIL RESPONDENT HAS COUNTED 10 NUMBERS THEN PRESS <1> AND <Enter> TO CONTINUE AS SOON AS RESPONDENT HAS COUNTED 10 NUMBERS, OR STOPS, OR ASKS TO START AGAIN.

INTERVIEWER: CORRECT RESPONSES INCLUDE COUNTING DOWN FROM 19 TO 10 OR FROM 20 TO 11.

Press 1 and <Enter> to continue

CfC20C

You may stop now. Thank you.

INTERVIEWER: CODE AS CORRECT IF RESPONDENT COUNTED BACKWARDS FROM 19 TO 10 OR FROM 20 TO 11 WITHOUT ERROR.

INTERVIEWER: USE [Ctrl-R] IF RESPONDENT REFUSED TO TRY THE TASK.

1. Correct
2. Incorrect
3. Wants to start again

IF CfC20C = Wants to start again[[IF CfC20C=3

EXNHEV

SHOW CARD J1

There is a lot of government interest currently in the issue of financing social care and nursing homes. To help us understand this issue better it is important to understand whether people are expecting to pay for any future long-term care. We would like to ask you some questions about your expectations regarding future long-term care.

What are the chances that you will **ever** move to a **nursing home**?

INTERVIEWER: Nursing homes are institutions primarily for people who need constant nurse supervision or are unable to live independently. Nursing supervision must be provided on a continuous basis for an institution to qualify as a nursing home.

Probe for answer, ask respondent to ignore whether they actually want to or are planning to move to a nursing home.

Range: 0..100

EXSCEV

SHOW CARD J1

What are the chances that you will **ever** need **long term care at home** which is not provided by family or friends?

INTERVIEWER: Long term care at home includes care with personal or domestic tasks provided in someone's own home or care provided at a day centre while they are living in their own home.

Probe for answer, ask respondent to ignore whether they actually want to or are planning to receive long term care at home.

Range: 0..100

EXLTCEV

SHOW CARD J1

And what are the chances that you will **ever** have to **pay for long term care**, either in a nursing home or care received at home?

INTERVIEWER: Probe for answer, ask respondent to ignore whether they actually want to or are planning to pay for long term care.

Range: 0..100

IF respondent > = 60 years

[!Ageof[spno] >= 60]

IF chances of moving to a nursing home > 0

[ExNHEv > 0]

EXMOVNB

SHOW CARD J1

What are the chances that you will move to a **nursing home in the next five years?**

INTERVIEWER: Nursing homes are institutions primarily for people who need constant nurse supervision or are unable to live independently. Nursing supervision must be provided on a continuous basis for an institution to qualify as a nursing home.

Probe for answer, ask respondent to ignore whether they actually want to or are planning to move to a nursing home.

Range: 0..100

END OF FILTER

END OF FILTER

END OF FILTER

EXPCK

We want to find out whether people know about how paying for care works **at the moment**. It's a subject a lot of people don't know much about, so don't worry if you are not sure about some of the questions. Local Authorities provide funding for care. Do you think they pay for care for **everyone** or do you think they pay for care for **some people** based on each person's ability to pay?

INTERVIEWER: These questions are about respondents' knowledge, NOT their opinion of how things should be.

INTERVIEWER: If respondents mention 'means testing' code answer option 2.

- 1 They pay for care for everyone
- 2 They pay for care for some people (based on person's ability to pay)

EXPCLM

Many people do have to pay something towards the care they receive in residential homes or in their own home. **At the moment** is there any limit on the amount of money that people have to pay for care and support over their lifetime?

- 1 Yes
- 2 No

EXPCHR

In the next few years the government will be introducing a new policy to limit the amount people will have to pay for care and support over their lifetime.

Before today had you heard about this policy?

INTERVIEWER: If yes prompt 'Do you know some of the details of this policy'. If yes to **this prompt** code as 1 but if respondent doesn't know the details code as 2.

- 1 Yes, and I know some of the details
- 2 Yes, but I don't know the details
- 3 No

EXCND

SHOWCARD J3

I'd now like you to think about **any** social care needs **you yourself** may have in the future. Have you thought about how to pay for your care and support needs?

INTERVIEWER: IF ASKED: You don't have to have done anything about it yet, we're interested in whether you've thought about it or not.

- 1 I've thought about it in great detail
- 2 I've thought about it a little
- 3 I know I should have thought about it but haven't done so yet
- 4 I haven't thought about this at all yet

EXCPLN @

SHOWCARD J4

Have you done any of the things on this card to plan for your care needs?

INTERVIEWER: CODE ALL THAT APPLY

CAGWHY

People look after their grandchildren for many reasons. What would you say were your main reasons for doing this?

INTERVIEWER: CODE ALL THAT APPLY. PROBE: What else?

- 01 To help them develop as people
- 02 It keeps me young and active
- 03 It makes me feel engaged with young people
- 04 To help his/her/their parents go out to work
- 05 To give his/her/their parents a break
- 06 To give my grandchild/grandchildren a break
- 07 So his/her/their parents can go out in the evening
- 08 To help out financially
- 09 Our family prefers family care
- 10 It is difficult for me to refuse
- 95 Other reason (SPECIFY)
- 96 None of these

FQHELP*

INTERVIEWER: Did respondent need any help reading the showcards during the interview?

- 01 Yes - due to sight problems
- 02 Yes - due to literacy problems
- 03 Yes - don't know reason
- 04 No

14.1. Nurse visit agreement

IF Eligible for nurse visit [NurElig = Yes]

FqNurse

There are two parts to this survey. You have just helped us with the first part. We hope you will also help us with the second part, which is a visit by a qualified nurse to collect more medical information and carry out some measurements.

I would like to arrange for the nurse to come round and explain some more about what is required.

INTERVIEWER READ OUT TEXT WHICH REFERS TO YOU:

May I suggest some dates and times and see when you are free?

May I ask the nurse to contact you?

INTERVIEWER: If asked for details say - 'The nurse will take some measurement including your blood pressure. You will not have any measurements taken if you do not wish to.'

- 1 Yes to nurse visit
- 2 No to nurse visit

IF No to nurse visit [FqNurse = 2]

FqNurRf @

INTERVIEWER: Record reason why respondent refused nurse contact.

- 0 Own doctor already has information
- 1 Given enough time already to this survey/expecting too much
- 2 Too busy, cannot spare the time (if Code 1 does not apply)
- 3 Had enough of medical tests/medical profession at present time
- 4 Worried about what nurse may find out/'might tempt fate'
- 5 Scared/of medical profession/particular medical procedures (eg blood sample)
- 6 Not interested/Can't be bothered/No particular reason
- 95 Other reason (specify)

IF Other reason for refusing nurse visit [FqNurRf = 95]

FqNrRfO @

INTERVIEWER: Please specify other reason for refusal.
STRING [60]

The answers to FqNrRfO are backcoded, merged with answers to FqNurRf and archived as:

Description	Variable	Archive
Own doctor already has information	FqNurRfM	fqnurrfod
Given enough time already to this survey/expecting too much	FqNurR17	fqnurrfex
Too busy, cannot spare the time	FqNurR18	fqnurrfbu
Had enough of medical tests/medical profession at present time	FqNurR19	fqnurrfen

15 - MEASUREMENT MODULE (MM)

15.1. Timed walk

IF Respondent's age >= 60

[IAgeOF >= 60]

MFIRST @

INTERVIEWER: This is the Measurements Questionnaire for... [^Name]

1 Press <1> and <Enter> to continue.

MINTDAT_ @

INTERVIEWER: Today's date is displayed below. Please amend it if it's not correct.

[Don't Know and Refusal are not allowed]

[CHECK MM1]

MMSCHS

INTERVIEWER: Record respondent status.

1 Observed walking without help of another person or using support

2 Observed walking with help of another person or using support

3 Not observed - in wheelchair

4 Not observed - bed bound

5 Not observed - uncertain if respondent has impairment

IF Whether observed respondent walking <> walking without help

[MmSchs<> 1]

MMALONE

I would like to test whether you can walk a very short distance comfortably. (Can I just check,) are you able to walk alone without holding on to another person (using a walking stick or other aid if necessary)?

1 Yes

2 Yes but aid unavailable

3 No

END OF FILTER

IF (Whether observed respondent walking = walking without help) OR (whether can | walk alone without help = Yes)

[MmSchs = 1 OR MmAlone = 1]

MMHSS

[^BLANK / I would now like to test whether you can walk a very short distance comfortably (using a walking stick or other aid if necessary).] First, I would like to ask a few questions to check it is safe to carry out the test. Do you have any problems from recent surgery, injury, or other health conditions that might prevent you from walking?

1 No apparent restriction

2 Yes, Recent surgery

3 Yes, Injury

4 Yes, Other health condition

IF Whether has medical condition that restricts walking = No Restriction

[MmHSS = 1]

MMWILL

Are you willing to do the walking test?

- 1 Yes
- 2 No

IF whether willing to do walking test = Yes
[MmWill = 1]

MMSAF

INTERVIEWER: Do you feel that it is safe to continue with the walking test?
1 Yes
2 No

END OF FILTER

END OF FILTER

END OF FILTER

IF (Whether has medical condition that restricts walking = recent surgery, injury, other condition, DK, RF) OR (whether can walk alone without help = aid unavailable, no, DK, RF) OR (whether interviewer feels it is safe to do walking test = No, don't know, RF)
[MmHSS = 2, 3, 4, DK, RF OR MmAlone = 2, 3, DK, RF OR MmSaf =no, DK, RF }

MMSTOP @

INTERVIEWER: Stop test, for example saying: 'It would be safest to skip this test and move on to the next set of questions'.
1 Press <1> and <Enter> to continue.

END OF FILTER

IF (Whether willing to do the walking test = Yes) AND (Whether interviewer feels it is safe to do the walking test = Yes)
[MmWill = 1 AND MmSaf = 1]

MMAVSP

INTERVIEWER: Check availability of suitable space.
1 Suitable space available
2 No suitable space

IF whether suitable space available = Suitable space
[MmAvsp = 1]

MMWALA

This is our walking course. I want you to walk to the other end of the course at your usual walking pace, just as if you were walking down the street to go to the shops. Walk all the way past the other end of the tape before you stop.

INTERVIEWER: Demonstrate the walk for the respondent.

(I will walk with you.) Do you feel this would be safe?

- 1 Yes
- 2 No

IF whether feels walking test would be safe = Yes
[MmWala = 1]

MMSTRT

When I want you to start, I will say: 'Ready, begin!'

INTERVIEWER: Ask the respondent to stand with both feet together at the start of the walking course. When the respondent is properly positioned at the start of

the walking course, say: 'Ready, begin!' Press the start / stop button to start the stopwatch as the respondent's foot hits the floor across the starting line. If possible walk behind and to the side of the respondent. Stop timing when the respondent's foot hits the floor after the end of the walking course.

Enter 1 to continue.

Range: 1..1

MMTRYA

INTERVIEWER: Record results of first trial.

Enter time at next question.

- 1 Completed successfully
- 2 Attempted but unable to complete
- 3 Stopped by the interviewer because of safety reasons
- 4 Respondent refused

IF result of first walking test = Completed successfully

[MmTrya = 1]

MMWLKA

INTERVIEWER: Record time in seconds to two decimal places.

MMWALB @

Now I want you to repeat the walk. Remember to walk at your usual pace, and go all the way past the other end of the course.

- 1 Press <1> and <Enter> to continue.

[CHECK MM2-MM4]

MMTRYB

INTERVIEWER: Record result of second trial.

Enter time at next question.

- 1 Completed successfully
- 2 Attempted but unable to complete
- 3 Stopped by the interviewer because of safety reasons
- 4 Respondent refused

IF result of second walking test = Completed successfully

[MmTryb = 1]

MMWLKB

INTERVIEWER: Record time in seconds to two decimal places.

[CHECK MM5-MM9]

END OF FILTER

END OF FILTER

END OF FILTER

END OF FILTER

END OF FILTER

IF (result of first walking test = Completed successfully) OR (result of second walking test = Completed successfully)

[MmTrya = 1 OR MmTryb = 1]

MMPAIN

INTERVIEWER: Code if respondent has commented on pain,
OTHERWISE ASK: 'Did you have pain while you were performing the walking
test?'

- 1 Yes
- 2 No

MMRECR

INTERVIEWER: Record type of floor surface.

- 1 Linoleum / tile / wood
- 2 Low-pile carpet
- 3 Thick-pile carpet
- 4 Concrete
- 5 Others

IF Type of floor surface = Other

[MmRecR = 5]

MMRECRO @

INTERVIEWER: Enter other type of floor surface.

String 20

[Open responses to MMRECRO were coded and then incorporated into MMRECR.]

END OF FILTER

MMAID

INTERVIEWER: Record type of aid used.

- 1 None
- 2 Walking stick or cane
- 3 Elbow crutches
- 4 Walking frame
- 5 Others

IF Type of walking aid used = Other

[MmAid = 5]

MMAIDO @

INTERVIEWER: Enter other type of aid used.

String 20

15.2. Weight

WGTINT @

INTERVIEWER: Now follows the Weight Measurement module.

Press <1> and <Enter> to continue.

Range: 1..1

RESPWTS

INTERVIEWER: Measure weight and code.

If the respondent weighs more than 130 kg (20 ½ stones) do not weigh.

Code as weight not attempted.

Include 'disguised' refusals such as 'It will take too long', 'I have to go out' etc. at code 2: Weight refused.

- 1 Weight measured
- 2 Weight refused
- 3 Weight attempted, not obtained
- 4 Weight not attempted

[Don't know and refusal are not allowed]

IF Whether weight measurement was attempted or obtained = Measured

[RespWts = 1]

WEIGHT

INTERVIEWER: Record weight (in kilograms).

Record weight with one decimal digit, using the full stop as decimal point.

[Don't know and refusal are not allowed]

FLOORC

INTERVIEWER CODE: Scales placed on?

- 1 Uneven floor
- 2 Carpet
- 3 Neither

RELWAITB (archive: RELBAIT)

INTERVIEWER: Code one only.

- 1 No problems experienced, reliable weight measurement obtained

Problems arised, measurement likely to be:

- 2 Reliable
- 3 Unreliable

MBOOKWT @

INTERVIEWER: Enter the weight measurement on [^Name of respondent]'s Measurement Record Card.

Weight: [^Weight - kg] kg or [^Weight - stone] stones [^Weight - pounds] pounds.

If weight looks wrong, go back to 'Weight' and re-weigh.

1 Continue

END OF FILTER

IF Whether weight measurement was attempted or obtained = [Refused, attempted but not obtained, not attempted] [RespWts = [2 , 3, 4]]

*IF Whether weight measurement was attempted or obtained = Refused
[RespWts = 2]*

RESNWT

INTERVIEWER: Give reasons for refusal.

- 1 Cannot see point / Weight already known / Doctor has measurement
- 2 Too busy / Taken long enough already / No time
- 3 Respondent too ill / frail / tired
- 4 Considered intrusive information
- 5 Respondent too anxious / nervous / shy / embarrassed
- 6 Refused (no other reason given)
- 7 Other

[Don't Know and Refusal are not allowed]

ELSE IF Whether weight measurement was attempted or obtained = [attempted but not obtained, not attempted] [RespWts = [3 , 4]]

NOWTBC

INTERVIEWER: Code reason for not obtaining weight.

CODE ALL THAT APPLY.

- 1 Respondent is unsteady on feet
- 2 Respondent cannot stand upright
- 3 Respondent is chairbound
- 4 Confined to bed
- 5 Respondent unable to remove shoes
- 6 Respondent weighs more than 130 kg
- 7 Ill or in pain
- 8 Scales not working
- 9 Other - specify

[Don't Know and Refusal are not allowed]

[Code maximum 8 out of 9 possible responses]

[Multiple responses to NOWTBC are recorded in variables:

Description	Variable	Archive
Respondent is unsteady on feet	NoWtBC1	nowtbcun
Respondent cannot stand upright	NoWtBC2	nowtbcst
Respondent is chairbound	NoWtBC3	nowtbcch
Confined to bed	NoWtBC4	nowtbcbe
