Consent withdrawal form B: Economic records

In a past ELSA interview we asked about your economic circumstances.

Our records show that you previously gave us your consent to find out more about your National Insurance Contributions, benefits and tax credits from data held by Her Majesty's Revenue and Customs (HMRC – which now incorporates the Inland Revenue) and the Department for Work and Pensions (DWP – formerly the DSS).

By giving consent to data linkage, you only gave permission for the linking of this routine administrative information and nothing else.

We only use the information from these records for research purposes. Names and addresses are never included in the results and no individual can be identified from the research.

Withdrawing your consent will mean that your information will not be made available in the future: both HMRC and DWP will not pass on information about your National Insurance Contributions, benefits and tax credit records to anyone wishing to carry out analyses of this data.

Please ask the interviewer about anything that concerns you or you can call the ELSA team on 0800 652 4574.

ECONOMIC RECORDS – Withdrawing Consent

I withdraw my consent for Department for Work and Pensions (DWP) and Her Majesty's Revenue and Customs to disclose to the ELSA Research Team (comprising researchers at University College London (UCL), Institute for Fiscal Studies (IFS), University of Manchester and NatCen Social Research) information about my National Insurance Contributions, benefits and tax credit records.

Please initial the box to indicate you wish to withdraw your consent.
