

2021/22 UCL EPSRC DTP Studentships Governance Board Open Competition Pre-Application form

This form must be completed before submitting your application documents. Instructions are available at <https://rebrand.ly/uedocsi> (<https://rebrand.ly/uedocsi>).

After you submit this form an email will be sent to the email address you provide giving you your "Applicant ID" to use in your main application documents.

If you do not receive the email within 24 hours of submitting check your spam/junk folder. If you still can't find it, then it means the automated system couldn't send it due to an error in the email address you provided - in that case you will need to redo this form.

This form also collects diversity monitoring data.

UCL are committed to equality of opportunity in our studentship selection processes. By completing this form, you will help us to ensure that our policies and procedures are effective in avoiding discrimination and promoting equal opportunities in making those awards.

The information you supply on this form will be kept confidential. The data will not be sent to reviewing panel members, and the answers you give will have no bearing on the outcome of your application.

You can view UCL's privacy policy at <https://www.ucl.ac.uk/legal-services/privacy/ucl-prospective-students-enquirers-and-applicants-privacy-notice> (<https://www.ucl.ac.uk/legal-services/privacy/ucl-prospective-students-enquirers-and-applicants-privacy-notice>).

UCL has an obligation to report the data on all applicants to EPSRC (the funder). The data is aggregated before reporting and will not be linked to individual applicants. Please review their data policy (<https://epsrc.ukri.org/use/privacy-notice/> (<https://epsrc.ukri.org/use/privacy-notice/>)).

* Required

Your pre-application information

This section collects important information to about your application. After you submit this form an email will be sent to the email address you provide giving you your "Applicant ID" to use in your main application documents.
