

30/08/2018

TIMETABLE 2018/2019 ACADEMIC YEAR

IGH reserves the right not to run modules with less than 10 students registered.

There is no guarantee that all students will be able to enrol in all modules of their choice but we work hard and collaborate with other departments to ensure everyone is able to enrol in the modules they have selected.

Assessment deadlines for optional modules will be published on our website in early September 2019

Overview of programmes structure, portico codes, and credit weightings Global Health and Development

Master of Science MSc (Programme Code: TMSICHSGHD01) 4 Core modules + 4 optional modules + 60 credits dissertation = 180 credits	Postgraduate Diploma (Programme Code: TPPICHSGHD01) 4 Core modules and 4 optional modules = 120 credits
