Consent and information process

Discuss each statement and ask the interview participant if they understood*

1. **Invitation**: We’d like you to be involved in our project, and we’d like to talk to you. Please listen to some information, and then you can decide if you want to be involved.

2. Do you understand?*

3. **Project purpose**: We are conducting a study about diabetes and what people think of diabetes to help people know more about how to prevent diabetes.

4. **Reasons for interviewing you**: You live near the place where we are doing a health promotion funfair, and we want to get information from different people living here.

5. **Voluntary participation**: There will be no problem if you don’t want to be interviewed.

6. **Stopping the interview**: You can stop the interview at any time.

7. **Time**: The interviews will take around half an hour.

8. **Recording**: We’d like to record the interview.

9. **Anonymous interviews**: Interviews will be anonymous.

10. **Harms**: You might get upset, or not want to tell us things. That’s ok.

11. **Benefits**: There are no benefits to taking part, but your information will inform a health promotion funfair which you can join.

12. **Information that will be public**: We will make a report and give this to the government and put it on the internet.

13. **Questions**: Do you have any questions?

14. **More information or complaints**: Here are some contact numbers if you want to know more about the study. Give the participant an information sheet with contact information of JWDC and HERD International.

15. **Consent to participate**: Do you want to take part?
