

All India Institute of Medical Sciences, New Delhi

National Grand Rounds on COVID-19

In collaboration with University College London

National Grand Rounds on COVID-19 include presentation of cases and discussion on their management by a panel of experts, followed by a short summary on a clinically relevant topic. Physicians attending the live web transmission can ask their questions using the number provided below.

Wednesday, 16th December 2020; 3 PM

Topic

Managing COVID-19 around the world: Shared experiences in India and the UK
