Links and resources to identify Higher Education (HE) institutions in Paris (and its region)

For our first seed funding call for the Cities partnerships Programme in Paris, the following information may help applicants in engaging with partners there.

According to recent reforms, many HE institutions in France have merged or started collaborations into larger groupings of universities. In the Paris region, these are:

- HeSam Université
- Université Paris-Est
- Université Paris lumières
- Université Paris-Saclay
- Paris sciences et lettres
- Université Paris-Seine
- Université Sorbonne Paris Cité
- Sorbonne Université

Please note these do not include all H.E. institutions (especially smaller, specialised ones or some Grandes Écoles).
