Thursday 19th and Friday 20th June 2008
Wellcome Trust Centre for the History of Medicine Centre at UCL
183 Euston Road, London NW1 2BE

HISTORY OF MEDICINE RESEARCH STUDENT CONFERENCE

Organisers: George Campbell Gosling, Professor Anne Hardy
Professor Steven King and Michael Stanley-Baker

The conference will feature papers from research students in four areas of the history of medicine:

- Understanding Medicine and the Body in History
- Health, Medicine and War in History
- Asian Medicine in History
- Healthcare in British History

The conference will also feature panel discussions chaired by:

- Dr Guy Attewell and Professor Roger Cooter of UCL
- Professors Anne Digby, Steven King and Paul Weindling of Oxford Brookes University
- and Professor Christopher Cullen of the Needham Research Institute

The conference will close with a keynote address from Professor Anne Hardy of UCL, editor of Medical History

All speaking slots have been filled and the limited number of places remaining will be assigned on a first come first served basis. If you are interested in attending please contact George Gosling at gcgosling@brookes.ac.uk

This joint conference between the Centre for Health, Medicine and Society: Past and Present at Oxford Brookes University and the Wellcome Trust Centre for the History of Medicine at UCL has been generously supported by:
