

## MRC Location Allowances guide

V1.0

This should be read in conjunction with:

- MRC Allowances policy

Based on current location, employees working in the following units qualify for the following location allowances:

### Inner London Allowance + Central London Supplement

- Cell Biology Unit
- Clinical Trials Unit
- Prion Unit
- Regional Centre London
- General Practice Research Framework
- Unit for Lifelong Health and Ageing
- Clinical Sciences Centre
- Head Office (London office only)
- National Centre for the Replacement, Refinement and Reduction of Animals in Research (NC3Rs)

### Intermediate London Allowance only

- National Institute for Medical Research

Employees attached to External Scientific Staff teams in London also qualify for payment of a location allowance.

This is based on the criteria set out in the MRC Allowances Policy, the main policy document also provides further information on the allowances e.g. pensionable aspects relating to location allowances.

Location allowances are reviewed annually at the time of the annual pay negotiations.
