

# Postdoctoral Innovation Award 2020

**Applications are now being accepted for the Division of Infection & Immunity's 2020 Postdoctoral Innovation Award**

Supporting the career development of the Division's postdoctoral staff, the award is part of our continued commitment to assisting early career scientists and helping them transition from postdoc to independent group leaders.

Application deadline: 5pm, 13 November 2020

To apply, visit: <https://www.ucl.ac.uk/infection-immunity/pdia>

**WIN A  
GRANT OF  
UP TO  
£3000**
