

Welcome to the 5th International Cognitive Stimulation Therapy (CST) Conference

27-28th June 2024

Returning to the **University of Hong Kong**, we are delighted to bring back the 5th International CST Conference.

The only event dedicated to uniting CST experts from across the globe to share the latest **important CST solutions and innovations** to help you and your team thrive.

Don't miss out on your opportunity to join our 1 Day CST Training Course

WHAT'S NEW?

- **New speakers** (topics include volunteer-led CST, digital solutions, advancing CST training, language and communication, and application of CST in varied populations).
- **New small-group interactive workshops**
- **New networking opportunities** including 'Speed networking' and a poster competition.
