Archipelago June 2004

   A really interesting book synthesizing some applications of Island Archaeology in different areas of the world has just been published. We have managed to get hold of a couple of copies so if any of the articles are of particular interest to you, we will be happy to lend you a copy to read or alternatively you can order your own copy on-line at: http://www.greenwood.com/books/BookDetail_pf.asp?pf=1&dept_id=1&sku=C7947

Table of Contents:
Synthesizing Island Archaeology by Scott M. Fitzpatrick
Flexible Strategies for Resource Defense on the Northern Channel Islands of California: An Agent Based Model by Douglas J. Kennett and Robert A. Clifford
Human Impacts on Ancient Environments: A Case Study from California's Northern Channel Islands by Jon M. Erlandson, Torben C. Rick, and Rene Vellanoweth
Prehistoric Resource Depletion in the Northern West Indies by Lisbeth A. Carlson and William F. Keegan
Island Interregional Interaction Population Dynamics in the Prehistory of Okinawa by Hiroto Takamiya
Inter-Island Exchange in Micronesia: A Case of Monumental Proportions Scott M. Fitzpatrick and Brian Diveley
Where the Wild Things Are: Prehistoric Animal Translocation in the Circum New Guinea Archipelago by J. Peter White
Island Societies Aren't Always Insular: Tlingit Territories in the Alexander archipelago and the Adjacent Alaska Mainland by Madonna Moss
Island Archaeology and Units of Analysis in the Study of Ancient Caribbean Societies by L. Antonio Curet
Island Models of Reticulate Evolution: The "Ancient Lagoons" Hypothesis by John Edward Terrell
Insularity in the Crossroads of Island Southeast Asia by Peter Lape
Mediterranean Island Prehistory: What's Different and What's New? by John Cherry
Islands of Ambivalence by Atholl Anderson
Islands Out of Time? Toward an Analytical Framework by Colin Renfrew

2. International Conference: Global Perspectives on the Archaeology of Islands
   The Global Perspectives on the Archaeology of Islands Conference will be held in Auckland from the 8-11 December 2004 and the call for papers deadline is the end of June. Further information can be found at this website: http://www.arts.auckland.ac.nz/ant/islands/index.htm

3. F.I.R.E. Website
   We are gradually developing a small website. If anyone has a chance to visit it, all comments and suggestions for improvements will be gratefully received.
