AN EMPLOYERS VIEW – A BARRIER TO ENTRY

Talent with borders

You won't let me in

"Two tier system" being created large corporate vs SME's

I'm going to create my own system that's fit for purpose (attraction / selection)

Different languages

Commercial & pace mind-set

Filling in the gaps... I'll do it myself

Confusion

Immigration & skills tax

What you're producing isn't always fit for purpose
