

TWO BASIC ALGORITHMS FOR CREATING CIRCULAR PATTERNS

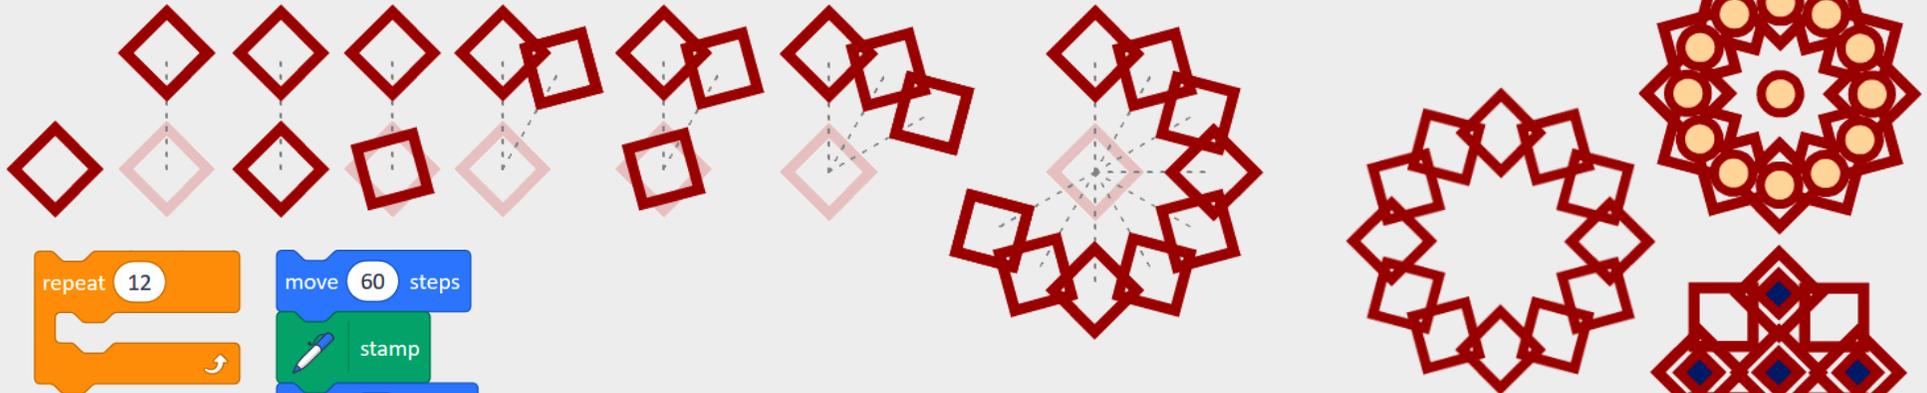

► Algorithm **move + turn + stamp** (used in Module 1: Investigations 1 and 2).

```

repeat 12
  move 30 steps
  turn 30 degrees
  stamp
  
```

► Algorithm **move forward + stamp + move backward + turn** (used in Module 1: Investigations 3 and 4).

```

repeat 12
  move 60 steps
  stamp
  move -60 steps
  turn 30 degrees
  
```
