1. What Connecting Classrooms does and how it facilitates global learning in schools

2. How it is most effectively accessed as part of a whole school approach

3. How you can get updated, connected and involved
What does this mean for schools?
Loxford School, Ilford

Salwan School, Delhi
• Teacher training
• Embedded in the curriculum
• Whole school approach
• Professional exchange
• Skills for the future
• Community engagement (education)
• Community engagement (local)
Impact in UK schools
