Overview

The ICR Ethics and GCP Forum provides an excellent opportunity to:

- Keep up to date with current ethical and clinical research issues
- Learn about new industry and regulatory initiatives
- Hear key industry figures speak about their specialist fields
- Network with fellow clinical research professionals

Learning Outcomes

The learning outcomes for delegates attending this meeting are to:

- Learn about the latest information from the Health Research Authority
- Be aware of current proposal to streamline the HRA assessment
- Understand the ethical issues around the true consequences of research and seeking fair consent
- Learn about the latest information on proposed EU Clinical Trials Regulation
- Be aware of recent regulatory changes in clinical research
