NIHR Diagnostic Evidence Co-operatives call
UCL/UCLH prioritisation
http://www.ccf.nihr.ac.uk/Pages/DECCompetition.aspx

1. CLINICAL DIRECTOR

Name, Job title and affiliation

2. KEY CONTRIBUTORS (up to 5)

Name, Job title and affiliation

3. CLINICAL AREA

Please provide the clinical area(s) or theme(s) to be addressed by the proposed NIHR Diagnostic Evidence Co-operative along with each corresponding proposed lead (these should be listed below).

4. STRATEGIC PLAN AND KEY PARTNERSHIPS

Please provide a brief overview of the strategic plan (in no more than three pages) for the proposed NIHR DEC, including the potential for the proposed clinical theme to generate evidence for IVDs to inform clinical decisions. Please describe those existing and proposed strategic partnerships which are relevant to the proposed NIHR DEC, including stakeholders in the IVD industry, accredited NHS pathology services, NHS commissioners, patient groups and researchers.
500 words max

5. LEADERSHIP AND EXPERTISE

Please describe the leadership and expertise demonstrated by the Clinical Director, proposed clinical area or theme leaders and key contributors,:
200 words max
