

Denys Holland Scholarship Dinner - Tuesday 30 October 2018

Speaker: Michel Kallipetis QC

The Denys Holland dinner this year will be held on Tuesday 30 October. The Old Refectory is still out of action so it will be held again in the Haldane Room, off the North Cloisters of UCL. Spaces are limited so please reply early to avoid disappointment. Sparkling wine, courtesy again of Sheila Clark, will be served from 7 pm and dinner will begin at 7.30.

The price is £58 per head which includes a three course meal and delicious wines, yet again provided by the ever-generous Vince Cheung. As usual, no tickets will be issued and there will be no seating plan. Please reply electronically through the Eventbrite link here (denys-holland-dinner.eventbrite.co.uk) or return a hard copy of this form to Lisa Penfold by Monday 8 October. Cheques for the dinner should be made payable to "University College London"; donations by cheque should be made out to "UCL Development Fund – Denys Holland Scholarship", accompanied by the Gift Aid form attached. The dinner always makes a small surplus but since this is the only fund-raising event we run, we would welcome any extra donation you feel able to make.

Our distinguished speaker this year is our own Michel Kallipetis QC, who has recently joined the DHSF Committee. Michel is among the UK's most sought-after mediators and is regarded as an authority in the field. He has experience mediating in a wide variety of disputes including: partnerships, banking; insurance, employment (including racial and sex discrimination claims and pension rights), negligence and personal injuries claims, as well as in construction, engineering and commercial disputes. In 2009 he was made a Distinguished Fellow of the International Academy of Mediators and in 2014 was invited to become a director. Last year Michel was awarded "Lawyer of the Year" in the Mediation category at the 4th annual Who's Who Legal awards.

I do hope you can join us for what is always a very enjoyable evening in aid of a worthwhile cause.
